perfect for beginning readers. Conversational text and silly illustrations will have you up all night reading about the only flying mammal on Earth! Fast bat facts: Distinctive trait: The only flying mammal Diet: Insects, fruit and even animal blood Special talent: Sleeping upside down The Bat covers habitat (bats live everywhere except Antarctica!), species (there are over 1,200 kinds of bats), echolocation, hibernation (bats hibernate just like bears!), conservation (don't disturb a sleeping bat!) and much more. Although silly and off-the-wall, The Bat contains factual information that will both amuse and teach at the same time.

Batman Arkham: Man-Bat - Neal Adams

2017-01-31

TERROR IN THE SKY! Dr. Kirk Langstrom was a respected biologist with a specialty in the Family Chiroptera, a.k.a bats. In an attempt to cure his deafness, Langstrom devised a serum to duplicate bats' system of echolocation in humans. He tested it on himself, and while his deafness was cured, the serum also transformed his body into a monstrous human/bat hybrid. Each time Batman faces the Man-Bat he doesn't know if he is battling a crazed flying monster or a man stuck in an eternal nightmare. What makes matters even worse is that Francine Langstrom, Kirk's wife, has also been transformed into a human/bat hybrid and now the question remains have Langstrom's passed their curse on to their children? BATMAN ARKHAM: MAN-BAT collects some of the villain's greatest stories by some of the industry's greatest creators, including Neal Adams (GREEN LANTERN/GREEN ARROW), Steve Ditko (Spider-Man), J. G. Jones (WONDER WOMAN), Gerry Conway (JUSTICE LEAGUE OF

AMERICA), Chuck Dixon (NIGHTWING), Flint Henry (DETECTIVE COMICS) and many more!

Weetzie Bat - Francesca Lia Block 2009-10-06
"Transcendent." —New York Times Book Review
"Magnificent." —Village Voice
"Sparkling." —Publishers Weekly
Francesca Lia Block's dazzling debut novel, *Weetzie Bat*, is not only a genre-shattering, critically acclaimed gem, it's also widely recognized as a classic of young adult literature, having captivated readers for generations. This coming-of-age novel follows the eponymous Weetzie Bat and her best friend Dirk as they navigate life and love in a timeless, dreamlike version of Los Angeles. When Weetzie is granted three wishes by a genie, she discovers that there are unexpected ramifications....

Winner of the prestigious Phoenix Award, *Weetzie Bat* is a beautiful, poetic work of magical realism that is perfect for fans of Laura Ruby, Neil Gaiman, and Kelly Link.

Right Off the Bat - Evander Lomke & Martin Rowe

"Looking over the legends and stars of both sports, explaining the rules, complete with glossary, *Right Off the Bat* is a fine assortment of knowledge, very much recommended for any curious sports fan."—Midwest Book Review
It's been said that baseball and cricket are two sports divided by a common language. Both employ bats, balls, innings, and umpires. Fans of both steep themselves in statistics, revel in nostalgia, and toss around baffling jargon. In

Right Off the Bat, baseball nut Evander Lomke and cricket buff Martin Rowe explain "their" sport—and their love of it—to the other sport's fans. You'll come away finding yourself as fascinated by legbreaks and inswingers as you are by knuckleballs and sliders (or vice versa). Are you a dyed-in-the-wool baseball fan who nevertheless harbors a nagging doubt as to whether Babe Ruth was, in fact, the greatest athlete ever to swing a bat? When you think of cricket, is what comes to mind stuffy Victorians standing around in a field, twirling their mustaches and saying silly things like "Howzat" or "googly"? Or are you a staunch cricket fan who sometimes wonders whether a screwball is really as difficult to execute as a doosra? Do you ask yourself where the thrill is in watching a ball sail 400 feet over a wall and just past the outstretched fingers of a fielder wearing a glove (and all for a paltry one run)? Well, step right up and take a seat—you've got a lot to learn (for example, the very first international cricket match was played in the United States). And Right Off the Bat is just the book for you.

The Bat Can Bat: A Book of True Homonyms

- Gene Barretta 2018-02-13

What is a homonym? It's a word that has different meanings but is always spelled the same. This informative book, set at a sporting event, includes a BAT who can BAT! A karate-chopping bulldog who is tough enough to BREAK five boards without taking a BREAK, and a STEER who tried to STEER his skateboard, but accidentally fell into a well--and that's just for starters. The clever wordplay introduces children to the richness of language through homonyms. A Christy Ottaviano Book

Bats of the Republic - Zachary Thomas Dodson 2015-10-06

"Archetypes of the cowboy story, tropes drawn from sci-fi, love letters, diaries, confessions all abound in this relentlessly engaging tale. Dodson has quite brilliantly exposed the gears and cogs whirring in the novelist's imagination. It is a mad and beautiful thing." --Keith Donohue, The Washington Post Winner of Best of Region for the Southwest in PRINT's 2016 Regional Design Awards

Bats of the Republic is an illuminated novel of adventure, featuring hand-drawn maps and natural history illustrations, subversive pamphlets and science-fictional diagrams, and even a nineteenth-century novel-within-a-novel—an intrigue wrapped in innovative design. In 1843, fragile naturalist Zadock Thomas must leave his beloved in Chicago to deliver a secret letter to an infamous general on the front lines of the war over Texas. The fate of the volatile republic, along with Zadock's future, depends on his mission. When a cloud of bats leads him off the trail, he happens upon something impossible... Three hundred years later, the world has collapsed and the remnants of humanity cling to a strange society of paranoia. Zeke Thomas has inherited a sealed envelope from his grandfather, an esteemed senator. When that letter goes missing, Zeke engages a fomenting rebellion that could free him—if it doesn't destroy his relationship, his family legacy, and the entire republic first. As their stories overlap and history itself begins to unravel, a war in time erupts between a lost civilization, a forgotten future, and the chaos of the wild. *Bats of the Republic* is a masterful novel of adventure and science fiction, of elliptical history and dystopian struggle, and, at its riveting core, of love.

The Bat Book - Charlotte Milner 2020-02-04

Go on an adventure in the shadows with award-winning author and illustrator Charlotte Milner. Discover why these mammals are essential to the world we live in, learn just how much they matter, why they are under threat, and what we can do to help. Bright, bold, and beautiful illustrations accompany fascinating fun facts about these furry flying mammals in this adorable kids' book. Did you know that there are two main groupings of bats, or that the bat is the only mammal that can fly? Children will be fascinated by the beautiful illustrations and learn plenty of bat facts on every page. From the way they fly, to how they communicate with each other, how bats hunt, and why they sleep upside-down, each of the world's 1,300 types of bat is unique and utterly fascinating. Bats are also incredibly important to the environment, from gobbling up pests to spreading seeds through the forests. They also pollinate over 500 different species of plants throughout the world, including fruits such as mangoes and bananas. A beautiful educational book with an important message. While learning about these elusive creatures, there are also fun activities for kids so they can learn how to support bats, including growing a bat-friendly garden to help them thrive. Bats make the world a better place, making this nature book for kids an essential tool in encouraging the protection of bats for generations to come. Following on from *The Bee Book* and *The Sea Book*, Charlotte Milner continues to highlight critical environmental issues faced by our planet. The *Bat Book* is perfect for teaching little animal-lovers all about these clever creatures who do so much for our world. Explore *The Upside-Down World Of Bats!* Discover how much they matter, why they are declining, and what we can do to help. This charming celebration of bats shows children just how extraordinary these animals are and is a reminder that it is up to us to care for our planet and its creatures. It's perfect for school projects about bats, mammals, ecology, or endangered animals. It also cleverly uses the subject to cover broader topics such as plant reproduction, ecosystems, and more. The *Bat Book* may be small, but it is mighty. Find out more about nature's secret friends, like: - Where bats live - What bats look like - Why bats are important - Growing a bat-friendly garden - Myths about

bats and much, much more! This delightful book is one of three children's books on conservation and includes *The Sea Book* and *The Bee Book* for your little ones to enjoy.

Bat and the End of Everything - Elana K. Arnold 2019-03-26
