the smart way! When it's crucial crunch time and your AP U.S. History exam is just around the corner, you need REA's AP U.S. History Crash Course!

U.S. History - P. Scott Corbett 2017-12-19

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

The Federalist Papers - Alexander Hamilton 2018-08-20

Classic Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyze the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755-1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

Strive for a 5 for America's History - James A. Henretta 2014-10-10

An AP exam preparation guide tied to the AP U.S. History redesign available for purchase either with the text or separately.

AP US History - Eugene V. Resnick 2020-08-04

Barron's AP United States History Study Guide is aligned with the current exam and includes comprehensive subject review plus five realistic practice tests. The College Board has announced that there are May 2021 test dates available are May 3-7 and May 10-14, 2021. Two full-length practice tests in the book with all questions answered and explained Test-taking strategies for answering multiple choice, short answer, long essay, and document-based questions Comprehensive review of all topics on the AP U.S. History curriculum, including pre-contact American Indian societies and the evolution of Colonial society; the American Revolution; the Civil War and Reconstruction; the growth of industrial America; World War I; the Great Depression; World War II; the Cold War; America in the age of Clinton, Bush, and Obama; and much more

AP U.S. History Crash Course: Book + Online - Larry Krieger 2015-01-30
Authors are reversed on previous edition.

The American Pageant 16th Edition+ (AP* U. S. History) Activities Workbook - David Tamm 2016-03-17

Kaplan's, 5-Steps, Crash Course and other review books are great resources for that last month before the exam, but Tamm's Textbook Tools student activity books are meant to be an accompaniment all year long. This AP* U.S. History companion is filled with vocab and assignments that follow the Kennedy/Cohen sixteenth edition for all 41 chapters. They can be used as regular weekly assignments or reviews. They can be used on short notice if there is a sub, or be assigned as regular homework. All you need is the textbook. Teachers can copy at will, or the book can be used as a student consumable. As publishers began putting their content online, a niche for traditional classwork was opened, a void filled by this series. And whether the textbook itself is written in ink or electrons, many students still find it more valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, and diagram every chapter. Find TTT on FB.
