*Twelve Years a Slave* - Solomon Northup 2021-01-01

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

**The Silver Circle** - Kyell Gold 2012-04-13

Valerie is on vacation after a messy divorce leads to a breakdown at work, and despite the warnings of wolves around the upstate New York lake she's visiting, she's determined to relax. Her vacation turns more stressful than her life when she happens upon a man with his throat ripped out, and a young man stumbling away from the scene with an arrow in his side. The young man's handsome features and desperate need overcome her New York City don't-get-involved sense, and she soon finds herself caught between a hunter and his prey. The hunter insists that the man he's hunting is not just a criminal, but a werewolf. Valerie thinks that's the craziest thing she's ever heard--until she realizes that he might be right.

**Pretty Poison** - Kari Gregg 2013-12

Deadly poison...or exquisite cure? Noah fell from an eighth story balcony as a toddler, cracking open his skull and shattering his body. The accident would've killed a human, but even shifter blood can't heal some damage. After the pack recommended a mercy killing, Noah's family ran. But there's no outrunning the mating pact formed before Noah's birth. Wade, the new alpha, chooses an adult Noah to fulfill the pact. Wade believes the previous alpha was a fool to reject Noah as a weak and inferior wolf, but Noah's family was wrong to hide him and starve his wolf, too. Human doctors with human medicines are poison to shifter physiology. Now that Noah is fully grown, halting his shift to retain the pins, plates, and bars holding him together hurts rather than helps him, and for Wade, more than Noah's recovery is at stake. Noah's family sacrificed everything to keep him alive. Noah will do whatever it takes to save them—including mate with the alpha who is determined to correct past mistakes and defeat old prejudices contaminating the shifter community. Too bad some still believe Noah is the true poison...and should be culled from the pack for good. Content Warnings: Dubious consent, shifter knotting/tying, and Nerf gun assassination attempts. Ereaders (and you) may spontaneously combust--Don't say I didn't warn you.

**Timber Pack Chronicles** - Rob Colton 2014-03-01

The object of Parker Montgomery's crush is big man on campus Colton Butler, who is much more than he appears to be. Colton has been watching Parker from a distance, patiently waiting for the day when he will finally be able to claim his destined mate. When Parker is threatened by a rogue wolf, Colton's instincts take over and he finds that his actions have consequences that threaten to tear his pack apart.

**Torture Porn** - Steve Jones 2013-07-09

The first monograph to critically engage with the controversial horror film subgenre known as 'torture porn', this book dissects press responses to popular horror and analyses key torture porn films, mapping out the broader conceptual and contextual concerns that shape the meanings of both 'torture' and 'porn'.

**Buyology** - Martin Lindstrom 2010-02-02

NEW YORK TIMES BESTSELLER • "A fascinating look at how consumers perceive logos, ads, commercials, brands, and products."—Time How much do we know about why we buy? What truly influences our decisions in today's message-cluttered world? In *Buyology*, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and

products. His startling results shatter much of what we have long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can "cool" brands trigger our mating instincts? • Can our other senses—smell, touch, and sound—be aroused when we see a product? *Buyology* is a fascinating and shocking journey into the mind of today's consumer that will captivate anyone who's been seduced—or turned off—by marketers' relentless attempts to win our loyalty, our money, and our minds.

**Argus Developer in Practice** - Tim M. Havard 2014-02-28

This book is a practical guide to using Argus Developer, the world's most widely used real estate development feasibility modeling software. Using practical examples and many case studies, it takes readers beyond basic training and provides the in-depth knowledge required to analyze potential real estate deals and help ensure a profitable development. *Argus Developer in Practice* fills an important gap in the market. *Argus Developer*, and its predecessor *Circle Developer*, has long had a dominant position as the primary real estate development appraisal tool. It is used all over the world on a variety of projects ranging from simple residential projects to huge and complex master planned, mixed-use, commercial, residential, and leisure projects. It also shines when used to appraise "refurbs"—taking an existing building or complex and upgrading it or turning it into something entirely different. *Argus Developer in Practice*, the first book that concentrates on the practical application and use of the program, goes beyond the manual that comes with it by taking you through the development/project appraisal process step by step. In addition, author Tim Havard has over 25 years of experience in carrying out development appraisals both in practice and in teaching at the postgraduate level in UK and Australian universities. He started using the DOS version of *Circle Developer* in 1990, then worked for both *Circle* and *Argus* training clients on the software in the UK, continental Europe, and the Middle East. Besides showing you how to use the program, Havard shows you how to think like a successful real estate developer. Using an extensive array of screenshots, *Argus Developer in Practice* delves deeply into practical use of the program by offering case studies of varying complexity that will help real estate professionals not just analyze development projects but also learn how the best minds in real estate analyze a project's potential. You will learn: How to model both simple projects and complex mixed-use and multi-phased investment schemes How to model new uses for existing properties How to think through real estate project problems How to analyze a potential development project in depth By using the program efficiently and making use of its more advanced features, you can help ensure a profitable project without the surprises that accompany most real estate ventures. *Argus Developer in Practice* therefore provides something priceless—peace of mind.

**Spanked in the Woodshed** - Brina Brady 2016-02-26

Shane is in trouble with his Dom again. He can't help making matters worse for himself. He wants to please Julien, make him happy, and be the perfect sub for him. His Dom gives him everything he needs. He helps him learn to deal with his problems the right way, without leaning on drugs. Julien pays his college tuition and lets him work at one of his clubs to be independent and earn his own money. No matter how hard Shane tries, something or someone always seems to slow their progress. Often, Shane gets in his own way, lying and breaking rules. This time, there are a couple of people trying to ruin their relationship. Julien is so patient with Shane because he loves him and wants to be the safe place Shane can always come home to. Unfortunately, misunderstandings, lies, and shortcomings on both of their parts threaten to take away the one thing Shane and Julien each need more than anything else: each other. This story is steamy hot, but it isn't just a story of BDSM. It is a story of love with a well-deserved HEA end to the series.

*My Three Orc Dads: A Steel & Thunder Novella* - Dominic N. Ashen 2021-12-22

It was just supposed to be a few quiet days with Khazak's parents... David has been living in the orc city of V'rok'sh Tah'lj for a couple of months now, and things have been going pretty well. But when his owner, Khazak, is called away on official business, he gets stuck with the man's fathers as babysitters. He's expecting a few quiet days of boredom, but he learns shortly after he arrives that these three orcs have plans for him of their own. Will David be able to handle all the challenges they throw at him, or will Khazak return to find that he just couldn't cut it? A fun and steamy side-story in the Steel & Thunder universe! Set in the same time period as Storms & Sacrifice, follow David as he tries to navigate life among the orcs without Khazak by his side, and learns all about some of the city's unspoken traditions firsthand. This story contains explicit depictions gay/male-on-male sex, including elements of BDSM, group sex, and concerns over infidelity all wrapped up with a fun twist!

**Fearsome** - Harp Strathe 2021-10-28

For three hundred years, the men of The Fifty have sworn to sacrifice themselves to defend the border of Calthus from their enemies. Hawth, the high-ranking military officer of The Fifty, is patrolling when he finds a strange, small animal in a smuggler's wagon. It is injured, with cruel clamps piercing its shoulders so it can't fly. He helps the animal and brings it back to Anwen Citadel, where his men adopt the creature. The animal lives with them for a year, becoming a part of the lives of the soldiers who live in the Citadel. One day, an eagle attacks the animal. When Hawth catches up with the eagle and the creature, he finds a beautiful woman unconscious on the ground. He brings her back to the citadel, where he interrogates her, and soon gives in to his desires. She says her name is Argen. But there is a spy in The Fifty who wants them all dead, and Hawth isn't sure what Argen wants at Anwen Citadel—or with him.

**Bossypants (Enhanced Edition)** - Tina Fey 2011-04-05

This enhanced edition features excerpts from the audio edition of Bossypants, recently named Audio Book of the Year! Before Liz Lemon, before "Weekend Update," before "Sarah Palin," Tina Fey was just a young girl with a dream: a recurring stress dream that she was being chased through a local airport by her middle-school gym teacher. She also had a dream that one day she would be a comedian on TV. She has seen both these dreams come true. At last, Tina Fey's story can be told. From her youthful days as a vicious nerd to her tour of duty on Saturday Night Live; from her passionately halfhearted pursuit of physical beauty to her life as a mother eating things off the floor; from her one-sided college romance to her nearly fatal honeymoon -- from the beginning of this paragraph to this final sentence. Tina Fey reveals all, and proves what we've all suspected: you're no one until someone calls you bossy. (Includes Special, Never-Before-Solicited Opinions on Breastfeeding, Princesses, Photoshop, the Electoral Process, and Italian Rum Cake! This Enhanced eBook experience also includes special audio clips from Tina Fey, speculation on what an eBook really is, a bonus section of new-to-you photos, interpretive drawings, and a chapter read by the author!)

**The Friendship Equation** - J R Gray 2021-08-04

I never thought I'd go to college a virgin, but unless something changes, and fast, that's what's going to happen. In comes Harden Hart, my All American boy-next-door best friend with an offer to help in a way I'd never imagined. The boy who turned everything he touched to gold had a filthy side to him I'd never seen. Oh, and did I mention he's straight? We could keep this fun but we had to hide it from both our fathers. We could

smile for the cameras, focus on winning the state swimming championship and maintain Harden's image. Easy enough, right? Only Harden didn't want to hide. His addiction to our not-so-private hook-ups put everything at risk with his father's planned presidential run, and I risked losing my best friend if anyone found out. But the biggest risk of all-the risk of breaking my own heart by falling for someone who was never mine to begin with. Maybe love just isn't in the equation.

**The Word Rhythm Dictionary** - Timothy Polashek 2014-04-18

This new kind of dictionary reflects the use of "rhythm rhymes" by rappers, poets, and songwriters of today. Users can look up words to find collections of words that have the same rhythm as the original and are useable in ways that are familiar to us in everything from vers libre poetry to the lyrics and music of Bob Dylan and hip hop groups.

**Overnight Shift** - Bill Siracusa 2019-12-06

Adam Chaney is a carefree county electrician working an overnight job at the local ranger station. It's a pretty typical gig. Long hours, quiet scenery... the occasional drooling supernatural monster. The worst Adam expected from his company for the evening--gruff park ranger Dale Wallace--was a few dirty looks. At best, there's a chance Adam can use his jockish charms to push the evening into more exciting territory. Tonight however, Dale is not quite himself, and Adam is about to get a hell of a lot more excitement than he bargained for. Will Adam get off this job with his hide, and his humanity, intact? Featuring an introduction by New York Times crossword editor Will Shortz, The Million Word Crossword Dictionary makes every other crossword dictionary obsolete. This edition offers thousands of new entries, including slang terms; brand names; celebrity names; and films, novelists' works, sports Hall of Famers, automobile models, and more. The larger type size makes finding the answers easier than ever.

**Boys Like You** - Jaye Pratt 2021-06

Waking up in hospital with no recollection of why I'm there. I'm met with faces I don't recognise, and a black hole where my memory should be.

After recovering and spending time with these five amazing guys, I realise I have everything I need, even without my memories. Rocky is full of energy but can be a handful. Mercer thinks he is tough, but I can see through his act. Rory is generous but has an attitude. Maximus doesn't talk but he doesn't need to. Levi may be cautious, but he is clearly the protector of the group. JD is what my boys decided to call me after they found me washed up, naked on a beach in the middle of winter. Who am I? Where did I come from? I should want the answers to those questions, except being with them feels like home. Finding out who I am is low on my priority list when I feel like I can breathe for the first time in my life, a life I can no longer remember.

[Altered States](#) - Ajax B. Coriander 2016-07-04

"Werewolves, shapeshifters, and stranger things can be found here; their bodies and minds twisting as they enter into Altered States of being. This anthology is a celebration of transformation and transmutation in many different flavors. From a wife who wants her husband to find a new appreciation for the moon, to a soldier infected with an alien virus, to military experiments which have gone horribly wrong. (Or perhaps very right...) Altered States contains nine transformation themed stories to titillate and inspire all those who love the idea of shape changing and moonlit vistas. After all, who's afraid of a little change?"--Page 4 of cover.

[Tristan](#) - Sylvain St-Pierre 2020-02-06

Researcher, mercenary, thief, killer. He wakes up to find out time has been taken from him. He doesn't know who did it, but he suspects where

it began. Now he has his sights set on taking his revenge. Taking on the prison that holds him, the people who set him up, and even the bounty hunter who once caught him doesn't worry him. No, it's the pawn he decides to use that could prove to be his undoing. Will Alex prove stronger than Tristan anticipated? Can Tristan bend him to his will so his plan can be unleashed on those he needs to punish? When it's all said and done, will Tristan be able to let go and move on? Will he remember that only he matters? Or will, for the first time in his life, someone else come first?

Out of Position - Kyell Gold 2010-12-01

Dev is a football player at Forester University, a small liberal arts college where he and his teammates get to strut around and have their pick of the girls on Friday nights. That's as good as it gets-until he meets Lee, a fox with a quick wit and an attractive body. Problem is, Lee's not a girl. He's a gay fox, an activist who never dreamed he'd fall for a football player. As their attraction deepens into romance, it's hard enough for them to handle each other, let alone their inquisitive friends, family, and co-workers. And if school is bad, the hyper-masculine world of professional sports that awaits Dev after graduation will be a hundred times worse. Going it alone would make everything easier. If only they could stop fighting long enough to break up.

*A Reader's Companion to the Short Story in English* - Erin Fallon 2013-10-31

Although the short story has existed in various forms for centuries, it has particularly flourished during the last hundred years. *Reader's Companion to the Short Story in English* includes alphabetically-arranged entries for 50 English-language short story writers from around the world. Most of these writers have been active since 1960, and they reflect a wide range of experiences and perspectives in their works. Each entry is written by an expert contributor and includes biography, a review of existing criticism, a lengthier analysis of specific works, and a selected bibliography of primary and secondary sources. The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory.

**Representing Humanity in an Age of Terror** - Sophia A. McClennen 2010

Written in the context of critical dialogues about the war on terror and the global crisis in human rights violations, authors of this collected volume discuss aspects of terror with regard to human rights events across the globe, but especially in the United States, Latin America, and Europe. Their discussion and reflection demonstrate that the need to question continuously and to engage in permanent critique does not contradict the need to seek answers, to advocate social change, and to intervene critically. With contributions by scholars, activists, and artists, the articles collected here offer strategies for intervening critically in debates about the connections between terror and human rights as they are taking place across contemporary society. The work presented in the volume is intended for scholars, as well as undergraduate and graduate students in the fields of the humanities and social sciences, including political science, sociology, history, literary study, cultural studies, and cultural anthropology.

**Storms & Sacrifice** - Dominic N. Ashen 2021-10-01

Will love be enough to save them from the coming storm? After a rocky start, David is settling into his new life with Khazak, the orc who is his... Owner? Friend? Lover? He's still figuring that out, and with his friends in jail for the next two months, he's got time. Or at least he will when he's not working with Khazak and the other rangers to keep the city of V'rok'sh Tah'lj safe. It would also be nice if the weird dreams he's been having would stop. He's done a lot of growing (and not just emotionally), but he can't say this is where he saw himself winding up after leaving the knight academy. At least it's only temporary, right? For his part, Khazak has been all too happy to have David around. It's not that his life was boring, he was just used to his routine before the troublesome human entered his life and shook things up. Now he has someone to talk to, share his meals with; they're even working together. Plus, he finally has someone to take to the upcoming Uzu'gor festival like he's always wanted. Unfortunately, what starts with a simple robbery leads to the uncovering of a plot far more sinister, one that threatens not just the limited time he has left with David, but the entire city. A story full of humor, romance, mystery, and kinky outdoor orc festivals! Readers new and old will love this chapter in the continuing tale of David & Khazak and their developing relationship. If you love gay/male-on-male romances that feature kink, BDSM, and Dom/Sub elements, all set in an anachronistic fantasy world, this book is for you!

Brewer's Dictionary of Phrase & Fable - Susie Dent 2018

**Princely Submission** - Sue Laybourn 2021-07-27

Who says love has to be gentle? A spoiled prince on his first overseas tour is torn between resenting his hot bodyguard and yearning for him. Prince Jordan is twenty years old, rich, and finally seeing the world. The last thing he needs is a babysitter. Especially one as rigid as Stuart Whitmore, an older, muscular man who makes it clear from their first meeting that there will be consequences if Jordan misbehaves. No one has ever laid a hand on Jordan his whole life, but for the first time he's contemplating the possibility and trying to figure out which buttons to push to achieve his goal. Because there's something behind Stuart's eyes that tells him he feels the same magnetic pull that Jordan does. Stuart doesn't give a damn that Jordan is a prince—he's still the most entitled brat he's ever laid eyes on. He's also a temptation, igniting desires Stuart had thought long since extinguished. The prince needs a firm hand and Stuart is just the man to provide it, but there's a vulnerability to Jordan that calls to him. A call that proves too difficult to ignore. What happens when discipline crosses the line into intense heat? And what are the ramifications when the connection becomes so much more than just physical... For both of them?

*Steel & Thunder* - Dominic N. Ashen 2021-05

When David went exploring with his friends, he figured they might come across some old ruins or maybe fight a few monsters.... He never

expected that he'd wind up captured by an orc and turned into his pet; what he expected even less was that he'd actually like it. It all started when he was sitting in a jail cell, so desperate to escape that he agreed to trial by combat: *The Ritual of Steel & Thunder*. He opens the fight strong, but when his competitor manages to overpower him, things start to heat up and he realizes he may have signed on for more than he bargained for. Captain Khazak Ironstorm is the orc ranger responsible for David's arrest-and after defeating him in combat, his new owner amused by his slave's antics, until something deeper begins to grow between them. What does this mean? A tale of romance mixed with some humor, adventure, and a heaping helping of kink. Read the journey of David and Khazak as they learn to understand each other and uncover the mysteries of the magical world around them. Readers who love kink,

BDSM, Dom/sub, and other elements of male-on-male romance will love this story.

*The Stable Boy* - Sisco Polaris 2017-08-25

Here comes the new job, same as the old job. At least that's what Kyle thought when his agent told him to audition for an exciting new opportunity. However, a good actor (or whore) never turns down a gig. What he never expected was how different this job would be. Working for a genetic science company, he was hired for one purpose: to look after what appears to be a horse. Kyle quickly realizes that Aden is more human than animal. While working to keep Aden happy and compliant, Kyle finds himself torn between his desire to keep his job and his need to explore the strange relationship growing between the two. At the end of the day, Kyle has to decide whether it is worth it or not to keep being Dr. Ramon's little stable boy.
