Coming Apart - Charles Murray 2013-01-29

NEW YORK TIMES BESTSELLER • A fascinating explanation for why white America has become fractured and divided in education and class, from the acclaimed author of *Human Diversity*. "I'll be shocked if there's another book that so

compellingly describes the most important trends in American society."—David Brooks, *New York Times* In *Coming Apart*, Charles Murray explores the formation of American classes that are different in kind from anything we have ever known, focusing on whites as a way of driving home the fact that the trends he describes do not break along lines of race or ethnicity. Drawing on five decades of statistics and research, *Coming Apart* demonstrates that a new upper class and a new lower class have diverged so far in core behaviors and values that they barely recognize their underlying American kinship—divergence that has nothing to do with income inequality and that has grown during good economic times and bad. The top and bottom of white America increasingly live in different cultures, Murray argues, with the powerful upper class living in enclaves surrounded by their own kind, ignorant about life in mainstream America, and the lower class suffering from erosions of family and community life that strike at the heart of the pursuit of happiness. That divergence puts the success of the American project at risk. The evidence in *Coming Apart* is about white America. Its message is about all of America.

All of the Women of the Bible - Edith Deen
2012-10-23

All the women of the Bible offers a rich biographical perspective on every female figure in scripture -- including the famous, the little-known, and even the unnamed. In more than 300 engaging and insightful portraits, Edith Deen brings alive the saints and sorceresses, queens

and servants, mothers and daughters, wives and widows whose profound influence is felt through-out the Bible. "You can almost trace light and darkness in the Bible by the women themselves," she writes. "Hannah, praying mother of Samuel, gave birth to a son who became the first great Hebrew prophet. And, of course, there was the mother of Jesus. On the other hand, Jezebel and Herodias were vile influences, the first tearing apart the northern kingdom of Israel, the second causing John the Baptist to be beheaded." Combining thorough detail with a lively and dramatic narrative, *All of the Women of the Bible* portrays the real women behind the Biblical stories and shows how, in their human struggles and triumphs, they are very much like the women of today. With each major biography identified by Bible chapter and verse and prefaced by a key passage of scripture, this is an ideal resource for teachers, Bible students, preachers, and writers, as well as anyone who wants to learn what it was really like to be a woman in Biblical times.

500 Rebus Puzzles - Phil Logos 2020-12-05

500 Phrases and Sayings Rebus Puzzles - with clues and answers! A rebus is a say-what-you-see puzzle that uses a variety of wordplays and visual clues to lead you to the hidden answer. In this book you will find 500 cryptically hidden phrases and sayings, ordered by difficulty, with the easiest at the start and the fiendishly hard at the back. Rebuses require logic and lateral thinking and are great for keeping your brain active! To help you, there are three clues for each puzzle that lead you to the answer, making them suitable for all ages and abilities. If you are still stumped after using the clues, all the answers are included in the back. The first clue is a hint that may be a straight definition or something more cryptic, similar to a crossword clue. For the second clue, the rearranged letters

of the answer create an anagram, sometimes with humorous results. Finally, the third clue is the pattern of the answer, showing how many words there are and the number of letters in each word. How far through the book can you get before you need to use the clues?!

Helping Hand - 1902

1 and 2 Kings - Iain William Provan 1995

Provan treats 1 and 2 Kings as a unified whole nestled within its canonical context. Kings constantly presupposes knowledge of the remainder of the story of Israel and invites reflection upon itself in the light of the prophetic writings and of the New Testament. It is examined here as narrative literature with historiographical intent, designed to teach its readers about God and the Ways of God. Provan does a masterful job of drawing the reader's attention to themes that are repeated in Kings, such as the theme of God's promise and how it is fulfilled among God's people. He has succeeded in making Kings a more readily accessible book.
