This The Church According To The New Testament What The Wisdom And Witness Of Early Christianity Teach Us Today , as one of the most dynamic sellers here will enormously be in the middle of the best options to review.

The Historical Reliability of the New Testament - Craig L. Blomberg
2016-11-01

Questions about the reliability of the New Testament are commonly raised today both by biblical scholars and popular media. Drawing on decades of research, Craig Blomberg addresses all of the major objections to the historicity of the New Testament in one comprehensive volume. Topics addressed include the formation of the Gospels, the transmission of the text, the formation of the canon, alleged contradictions, the relationship between Jesus and Paul, supposed Pauline forgeries, other gospels, miracles, and many more. Historical corroborations of details from all parts of the New Testament are also presented throughout. The Historical Reliability of the New Testament marshals the latest scholarship in responding to New Testament objections, while remaining accessible to non-specialists.

Who Runs the Church? - Zondervan, 2009-05-26

Churches have split and denominations have formed over the issue of church government. While many Christians can explain their church's

form of rule or defend it because of its "tried and true" traditions, few people understand their church's administrative customs from a biblical perspective. Who Runs the Church? explores questions such as: What model for governing the church does the Bible provide, and is such a model given for practical or spiritual reasons? Is there room for different methods within Christianity? Or is there a right way of "doing church"? And, finally, how (and by whom) should the church be governed? Four predominant approaches to church government are presented by respected proponents: Episcopalianism - represented by Peter Toon Presbyterianism - represented by L. Roy Taylor Single-Elder Congregationalism - represented by Paige Patterson Plural-Elder Congregationalism - represented by Samuel E. Waldron As in other Counterpoints books, each view is followed by critiques from the other contributors, and its advocate then responds.

Sojourners and Strangers - Gregg R. Allison 2012-11-30

What is a church? This can be a difficult question to answer and Christians have offered a variety of perspectives. Gregg Allison thus

explores and synthesizes all that Scripture affirms about the new covenant people of God, capturing a full picture of the biblical church. He covers the topics of the church's identity and characteristics; its growth through purity, unity, and discipline; its offices and leadership structures; its ordinances of baptism and the Lord's Supper; and its ministries. Here is a rich approach to ecclesiology consisting of sustained doctrinal reflection and wise, practical application. Part of the Foundations of Evangelical Theology series.

The Gospel According to Mark - 1999-01-01

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

40 Questions About Roman Catholicism - Gregg R. Allison
2021-09-28

Straightforward answers about Roman Catholicism for a Protestant audience The Roman Catholic faith is one of the world's most widespread religious traditions, yet the unique aspects of Roman Catholicism elicit perennial questions from adherents and outsiders alike. Such questions tend to fall into three major categories: historical backgrounds, theological matters, and personal relationships. Using Catholic Church documents and the writings of Catholic scholars, Baptist systematic theologian Gregg R. Allison distills the teachings of Catholicism around forty common questions about Catholic foundations, beliefs, and practices. The accessible question-and-answer format guides readers to the areas of interest, including: Where do Roman Catholic and Protestant beliefs differ? What happens during a Roman Catholic Mass? How does Roman Catholicism understand the biblical teaching about Mary? Who are the saints and what is their role? How can my Roman Catholic loved ones and I talk about the gospel? 40 Questions About Roman Catholicism explores theology and practice, doctrine and liturgy, sacraments and Mariology, contributions and scandals, and many other things, clarifying both real and perceived differences and similarities with other Christian

traditions.

About the Christian Church (Disciples of Christ). - 1995

[From Jesus to Christ](#) - Paula Fredriksen 2008-10-01

"Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, Times Literary Supplement In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, Journal of the American Academy of Religion "This is a first-rate work of a first-rate historian."—James D. Tabor, Journal of Religion "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, Christian Science Monitor

Against Heresies - Iren³/₄us 2018-03-12

When the Christian church was first forming in the time of the apostles, a heresy that still threatens the church today called Gnosticism started to form. This heresy was battled by the writings of Irenæus to correct theological thinking about God, Jesus and the Bible at large. This early church father was instrumental in fighting false teaching in the early centuries when there were a lot of questions about the legitimacy of Christianity in the face of the persecutions of the Roman Empire. Note: This is a revised edition of the original Devoted Publishing edition. The text hasn't changed just some formatting and footnote layouts have been altered.

The Church in Gods Program - Robert L. Saucy 1974-08-21

The Church in God's Program is a biblical study covering the entire

scope of the church - its beginning, government, ministries, and the new covenant.

The Community of Jesus - Kendell H. Easley 2013-09-15

Intended for upper division college students, seminarians, and pastors, The Community of Jesus delivers a biblical, historic, systematic, and missional theology of the church. Today the word church provokes wide-ranging reactions and generates discussion on a variety of issues among Christians and non-Christians alike. In order to sort through this maze of responses and topics, a biblical and theological foundation must be laid that provides a clear vision of the church of the Lord Jesus Christ and its significance in God's eternal purpose. With extensive pastoral, teaching, missions, and administrative experience, this team of contributors carefully sets forth the biblical teachings concerning the church and then builds on this core material, relating the theology of the church to salvation history, church history, God's glory, and God's mission: • Paul R. House, "God Walks with His People: Old Testament Foundations" • Andreas J. Köstenberger, "The Church According to the Gospels" • Kendell H. Easley, "The Church in Acts and Revelation: New Testament Bookends" • David S. Dockery, "The Church in the Pauline Epistles" • Ray Van Neste, "The Church in the General Epistles" • James A. Patterson, "The Church in History: Ecclesiastical Ideals and Institutional Realities" • Stephen J. Wellum, "Beyond Mere Ecclesiology: The Church as God's New Covenant Community" • Christopher W. Morgan, "The Church and the Glory of God" • Bruce Riley Ashford, "The Church in the Mission of God"

What on Earth is the Church? - Kevin Giles 2005-09-26

What is the church? In a day when people increasingly view the church as a relic of the past, this may be the most important question Christians can ask themselves. The logical starting point is Scripture. In this thorough and engaging study of the church in the New Testament, Kevin Giles concludes that the church is first and foremost a Christian community. No other category offers greater breadth and depth of insight into its nature. No other category offers such a challenge to Western individualism, nor such promise for the revitalization of the

church in the postmodern world. 'What on Earth Is the Church?' is an exploration in New Testament theology, a careful study of the ecclesial community from Jesus to Paul and on through to Revelation. Each category of New Testament writings is carefully assessed, with attention given to the early, middle, and late Pauline letters, and to the theology of each Gospel. Giles finds in the New Testament a community in transition -- never perfect, always provisional, and forever living in the tension between its present imperfection and its eschatological ideal. The New Testament does not promise an original community to be recaptured but a variety of perspectives on being the community of God in changing social environments.

2000 Years of Small Groups - Joel Comiskey 2015-10-03

This book explores how God has used small groups throughout church history, specifically focusing on the early church to the present time. God not only established the early church as a house to house movement, but he also has used small groups throughout church history. This book chronicles the small group or cell movement from Jesus all the way to the modern day cell explosion. Themes include: -Small Groups In Biblical History -Small Groups In Early Christian History -Small Groups and Monasticism -Small Groups During the Pre-Reformation Period -Luther and Small Groups -Martin Bucer and Small Groups -The Anabaptist Movement -Puritan Conventicles -Pietism -The Moravians -The Methodists -Modern House Churches -Small Groups in North America -The Modern Day Cell Church This book will both critique the strengths and weaknesses of these historical movements and apply principles to today's church. You will grow in appreciation and understanding of key small group principles from those pioneers who have paved the way. You will also learn to value those movers and shakers who faced far greater odds to implement small groups than the difficulties confronted today. Many have struggled with the same things you're wrestling with now. And just like they found solutions in the face of persecution and trial, God will help you to persevere, find solutions, and ultimately bear abundant fruit for his kingdom and glory.

The Church According to the New Testament - Daniel J. Harrington 2001

In the last days of the twentieth century, leading New Testament scholar and popular preacher Daniel Harrington, S.J., asked himself two powerful questions: What might the church of the first century have to say to the church of the twenty-first century? And How might a brief synthesis of what the New Testament says and does not say about the church help bring greater vitality within and unity among the churches? The result of Father Harrington's research and thinking is this timely and important book.

Catechism of the Catholic Church - U.S. Catholic Church 2003-03-04

Over 3 million copies sold! Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means "instruction" - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.

The Church in the New Testament - K. Patrick Conner 1982-01-01

This textbook, written as a reference work, is designed to bring a clearer understanding of the New Testament Church, both universally and locally, by showing God's eternal plan for His people.

The Encyclopaedia Britannica - 2020-12-15

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left

intentionally to preserve its true nature.

How Should We Then Live? - Francis A. Schaeffer 2022-03-22

Francis Schaeffer's Classic Analysis of the Rise and Decline of Western Thought and Culture Civilizations throughout history have built societies around their own limited value systems including rulers, finite gods, or relativism—only to fail. The absence of a Christian foundation eventually leads to breakdown, and those signs are visible in present-day culture as well. Can modern society avoid the same fate? In this latest edition of *How Should We Then Live?*, theologian Francis A. Schaeffer traces the decline of Western culture from the fall of Rome, through the Middle Ages and the Enlightenment, and up to the twentieth century. Studying humanism's impact on philosophy, science, and religion, he shows how this worldview historically results in apathy, chaos, and decline. Schaeffer's important work calls on readers to live instead by Christian ethics, placing their trust in the infinite personal God of the Bible. Originally written in 1976, *How Should We Then Live?* remains remarkably applicable today.

The Second Epistle General of Peter and the General Epistle of Jude - Montague Rhodes James 1912

Peter's second epistle and Jude's epistle are explored in this work of New Testament commentary.

Stories of Calvary - Danny Hodges 2008-04-01

Danny Hodges became the senior pastor of a young church fellowship known as Calvary Chapel in St. Petersburg, Florida, in April of 1984. Three years later when he was introduced to Pastor Chuck Smith and the Calvary Chapel movement, he felt an immediate sense of being at home and was grateful to God for leading him to this network of churches that upheld a simple, biblical philosophy of ministry and well-balanced doctrine. Calvary Chapel St. Petersburg soon became a fellowship of Calvary Chapel Costa Mesa, and since that time God has steadily grown the ministry from a handful of mostly young single adults to a large church full of families. It has been exciting to see God's Spirit bring many to salvation through Jesus Christ, see lives change and mature in the Lord, see relationships bloom and grow, see ministries evolve and

prosper, see a hunger for the Word of God and see a passionate desire to win the lost to Jesus. Pastor Danny and his wife, Wendy, consider it an honor to serve this growing body of believers together with their four children, Tanner, Hayden, Jairus and Audra.

New Testament Theology, Or, Historical Account of the Teaching of Jesus and of Primitive Christianity According to the New Testament Sources - Willibald Beyschlag 1908

The Acts of the Apostles - P.D. James 1999-01-01

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

Church Order in the New Testament - Eduard Schweizer 2006-07-01

Schweizer listens carefully to the testimony of the various New Testament writers in order to understand the theological problem of how the New Testament church understood itself, and how it expressed that understanding in its order. The purely historical question about the form of the church at different times is seen by Schweizer as necessary, but need only be asked insofar as the actual shaping of the church is always evidence of the concept of its own nature to which it testifies. Thus, Schweizer arranges the New Testament writings primarily by the theological kinship of their idea of the church, providing a comprehensive examination of the church in the New Testament and Apostolic Fathers. He treats both the diversity of views and the unity found in these writings. He also discusses issues relating to church office, ministry, and ordination.

The Epistle of Paul the Apostle to The Romans - Ruth Rendell 1999-01-01
Paul was the most influential figure in the early Christian church. In this epistle, written to the founders of the church in Rome, he sets out some of his ideas on the importance of faith in overcoming mankind's innate sinfulness and in obtaining redemption. With an introduction by Ruth Rendell

Revelation - 1999-01-01

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

What Is the Church? - Robert Charles Sproul 2013

Dr. R. C. Sproul carefully and clearly explains that the church is a body of people saved by Jesus Christ and regenerated by the Holy Spirit who live to glorify and enjoy God. Beginning with the ancient Nicene Creed, which affirms that the church is one, holy, catholic, and apostolic, Dr. Sproul provides accessible teaching on one of the most misunderstood of all Christian doctrines

The Gospel According to Matthew - 1999

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The Church - Mark Dever 2012

A primer by respected Washington, DC pastor and 9Marks ministry president Mark Dever on the doctrine of the church that explores the important issues of church life, other doctrines, worship, and polity.

What Is the Mission of the Church? - Kevin DeYoung 2011-09-08

Social justice and mission are hot topics today: there's a wonderful resurgence of motivated Christians passionate about spreading the gospel and caring for the needs of others. But in our zeal to get sharing and serving, many are unclear on gospel and mission. Yes, we are called to spend ourselves for the sake of others, but what is the church's unique priority as it engages the world? DeYoung and Gilbert write to help

Christians “articulate and live out their views on the mission of the church in ways that are theologically faithful, exegetically careful, and personally sustainable.” Looking at the Bible’s teaching on evangelism, social justice, and shalom, they explore the what, why, and how of the church’s mission. From defining “mission”, to examining key passages on social justice and their application, to setting our efforts in the context of God’s rule, DeYoung and Gilbert bring a wise, studied perspective to the missional conversation. Readers in all spheres of ministry will grow in their understanding of the mission of the church and gain a renewed sense of urgency for Jesus’ call to preach the Word and make disciples.
The New Testament Church - John P. Harrison 2012-05-01

Christian communities today face enormous challenges in the new contexts and teachings that try to redefine what churches should be. Christians look to the New Testament for a pattern for the church, but the New Testament does not present a totally uniform picture of the structure, leadership, and sacraments practiced by first-century congregations. There was a unity of the Christian communities centered on the teaching that Jesus is the Christ, whom God has raised from the dead and has enthroned as Lord, yet not every assembly did exactly the same thing and saw themselves in exactly the same way. Rather, in the New Testament we find a collage of rich theological insights into what it means to be the church. When leaders of today see this diversity, they can look for New Testament ecclesiologies that are most relevant to the social and cultural context in which their community lives. This volume of essays, written with the latest scholarship, highlights the uniqueness of individual ecclesiologies of the various New Testament documents and their core unifying themes.

The Trail of Blood - J.M. Carroll 2019-10-24

Dr. JM Carroll's "The Trail of Blood" is a great historical premise concerning the beginnings of the church from "Christ it's founder, till the current day". Written in the early 20th century, Dr. Carroll details the history and plight of TRUE bible believers throughout time. Still as relevant today as it was almost 100 years ago, this timeless classic is a must-have part of any Christian's personal reading collection.

Holy Bible - Zondervan Publishing House 2013-01-21

A reasonably priced, quality black hardcover pew and ministry Bible featuring a large 12-point font.

What is Reformed Theology? - R. C. Sproul 2016-09-13

What Do the Five Points of Calvinism Really Mean? Many have heard of Reformed theology, but may not be certain what it is. Some references to it have been positive, some negative. It appears to be important, and they'd like to know more about it. But they want a full, understandable explanation, not a simplistic one. What Is Reformed Theology? is an accessible introduction to beliefs that have been immensely influential in the evangelical church. In this insightful book, R. C. Sproul walks readers through the foundations of the Reformed doctrine and explains how the Reformed belief is centered on God, based on God's Word, and committed to faith in Jesus Christ. Sproul explains the five points of Reformed theology and makes plain the reality of God's amazing grace.

The World's Religions - Huston Smith 1991-09-13

Provides an introduction to Hinduism, Buddhism, Confucianism, Taoism, Islam, Judaism, Christianity, and the native traditions of the Americas, Australia, Africa, and Oceania

Images of the Church in the New Testament - Paul Sevier Minear 2004-11-12

First published in 1960, Paul Minear's classic work identifies and explicates ninety-six images for the church found in the New Testament. Comprehensive and accessibly written, it has been used in seminary classes for over thirty years. Its range of reach and incredibly rich discussions of the many images and metaphors make this book a splendid resource for students and pastors. The New Testament Library offers authoritative commentary on every book and major aspect of the New Testament, as well as classic volumes of scholarship. The commentaries in this series provide fresh translations based on the best available ancient manuscripts, offer critical portrayals of the historical world in which the books were created, pay careful attention to their literary design, and present a theologically perceptive exposition of the text.

The Measure of a Church - Gene A. Getz 2001

Imagine that the apostle Paul were to write a letter to your church -- much like those he wrote to the churches of his time. Would he begin by thanking God for your church's enduring partnership in the gospel, as he wrote to the Philippians? Or would he thank the Lord for your faith in Jesus and your love for the saints, as he thanked the Ephesians? What would he thank God for about your church? Your church-centered activities and events? Your bigger budget or giving campaign? Your emphasis on spiritual gifts? Best-selling author Gene Getz asks the soul-searching questions we should all ask ourselves in this completely revised and updated edition of his classic book *The Measure of a Church*. Of course, it's squarely up to you to decide how well your church meets the mark. But as Getz reminds us all, God has His own yardstick! Book jacket.

An Introduction to the New Testament - Charles B Puskas 2012-08-30
This second edition of *An Introduction to the New Testament* provides readers with pertinent material and a helpful framework that will guide them in their understanding of the New Testament texts. Many new and diverse cultural, historical, social-scientific, sociorhetorical, narrative, textual, and contextual studies have been examined since the publication of the first edition, which was in print for twenty years. The authors retain the original tripartite arrangement on 1) The world of the New Testament, 2) Interpreting the New Testament, and 3) Jesus and early Christianity. An appropriate book for anyone who seeks to better understand what is involved in the exegesis of New Testaments texts today.

Dogmatic Constitution on Divine Revelation - Pope Paul VI. 1965
This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

A Brief History of Sunday - Gonzalez, Justo L. 2017

Authoritative yet accessible historical overview of Christian Sunday worship In this book noted Christian historian Justo Gonzalez tells the story of how and why Christians have worshiped on Sunday from the earliest days of the church to the present. After discussing the views and practices relating to Sunday in the ancient church, Gonzalez turns to Constantine and how his policies affected Sunday observances. He then recounts the long process, beginning in the Middle Ages and culminating with Puritanism, whereby Christians came to think of and strictly observe Sunday as the Sabbath. Finally, Gonzalez looks at the current state of things, exploring especially how the explosive growth of the church in the Majority World has affected the observance of Sunday worldwide. Readers of this book will rediscover the joy and excitement of Sunday as the early church celebrated it and will find inspiration in an age of increasing indifference and hostility to Christianity."

The Gospel According to John - 1999

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The Normal Christian Church Life - Watchman Nee 1993-05-01

Watchman Nee's writings have become well known for their deep spiritual insight among Christians in many nations for many years. Through these volumes a full understanding of his balanced and proper view concerning the Bible and the spiritual life can be accurately appreciated. This new compilation and retranslation of Watchman Nee's writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader's understanding of Watchman Nee's ministry.
