A Guide Through Finnegans Wake - Edmund L. Epstein 2009

This book guides readers through the complex, pun-based, and dreamlike narrative of James Joyce's *Finnegans Wake*. Defying conventions of plot and continuity, *Finnegans Wake* has been challenging readers since its first publication in 1939. The novel is so famously difficult that it is widely agreed that only the brave or foolhardy attempt to unravel this well-known but relatively little-read classic.

The Yield - Tara June Winch 2020-06-02

Winner of the 2020 Miles Franklin Literary Award and 2021 Kate Challis RAKA Award! "A beautifully written novel that puts language at the heart of remembering the past and understanding the present."—Kate Morton "A groundbreaking novel for black and white Australia."—Richard Flanagan, Man Booker Prize winning author of *The Narrow Road to the Deep North* A young Australian woman searches for her grandfather's dictionary, the key to halting a mining company from destroying her family's home and ancestral land in this exquisitely written, heartbreaking, yet hopeful novel of culture, language, tradition, suffering, and empowerment in the tradition of Louise Erdrich, Sandra Cisneros, and Amy Harmon. Knowing that he will soon die, Albert "Poppy" Gondiwindi has one final task he must fulfill. A member of the indigenous Wiradjuri tribe, he has spent his adult life in Prosperous House and the town of Massacre Plains, a small enclave on the banks of the Murrumbidgee River. Before he

takes his last breath, Poppy is determined to pass on the language of his people, the traditions of his ancestors, and everything that was ever remembered by those who came before him. The land itself aids him; he finds the words on the wind. After his passing, Poppy's granddaughter, August, returns home from Europe, where she has lived the past ten years, to attend his burial. Her overwhelming grief is compounded by the pain, anger, and sadness of memory—of growing up in poverty before her mother's incarceration, of the racism she and her people endured, of the mysterious disappearance of her sister when they were children; an event that has haunted her and changed her life. Her homecoming is bittersweet as she confronts the love of her kin and news that Prosperous is to be repossessed by a mining company. Determined to make amends and honor Poppy and her family, she vows to save their land—a quest guided by the voice of her grandfather that leads into the past, the stories

of her people, the secrets of the river. Told in three masterfully woven narratives, *The Yield* is a celebration of language and an exploration of what makes a place "home." A story of a people and a culture dispossessed, it is also a joyful reminder of what once was and what endures—a powerful reclaiming of Indigenous language, storytelling, and identity, that offers hope for the future.

The Watch - Joydeep Roy-Bhattacharya
2012-06-05

This heartbreaking and haunting novel takes a timeless tragedy and hurls it into present-day Afghanistan, when a woman asks for the return of her brother's body in the midst of a war. Following a desperate night-long battle, a group of beleaguered soldiers in an isolated base in Kandahar are faced with a lone woman demanding the return of her brother's body. Is she a spy, a black widow, a lunatic, or is she what she claims to be: a grieving young sister intent on burying her brother according to local rites? Single-minded in her mission, she refuses to move from her spot on the field in full view of every soldier in the stark outpost. Her presence quickly proves dangerous as the camp's tense, claustrophobic atmosphere comes to a boil when

the men begin arguing about what to do next. Taking its cues from the Antigone myth, Roy-Bhattacharya brilliantly recreates the chaos, intensity, and immediacy of battle, and conveys the inevitable repercussions felt by the soldiers, their families, and by one sister. The result is a gripping tour through the reality of this very contemporary conflict, and our most powerful expression to date of the nature and futility of war.

The Algebraist - Iain M. Banks 2008-09-04

A superb standalone novel from the awesome imagination of Iain M. Banks, a master of modern science fiction. It is 4034 AD. Humanity has made it to the stars. Fassin Taak, a Slow Seer at the Court of the Nasqueron Dwellers, will be fortunate if he makes it to the end of the year. The Nasqueron Dwellers inhabit a gas giant on the outskirts of the galaxy, in a system awaiting its wormhole connection to the rest of civilisation. In the meantime, they are dismissed as decadents living in a state of highly developed

barbarism, hoarding data without order, hunting their own young and fighting pointless formal wars. Seconded to a military-religious order he's barely heard of - part of the baroque hierarchy of the Mercatoria, the latest galactic hegemony - Fassin Taak has to travel again amongst the Dwellers. He is in search of a secret hidden for half a billion years. But with each day that passes a war draws closer - a war that threatens to overwhelm everything and everyone he's ever known. As complex, turbulent and spectacular as the gas giant on which it is set, this novel from Iain M. Banks is space opera on a truly epic scale. Praise for Iain M. Banks: 'Epic in scope, ambitious in its ideas and absorbing in its execution' Independent on Sunday 'Banks has created one of the most enduring and endearing visions of the future' Guardian 'Jam-packed with extraordinary invention' Scotsman 'Compulsive reading' Sunday Telegraph The Culture series: Consider Phlebas The Player of Games Use of Weapons The State of the Art Excession

The Schoolmistress - Anton Chekhov 2021-11-17
Follows Maria's tumultuous journey home after receiving her salary from the school board. 'The

'Schoolmistress' features Chekhov's much-celebrated realist prose as he illustrates the misery of the poor schoolmistress and her surroundings. While Maria must fight for respect from her superiors and the townsfolk, she dreams of a better life with the wealthy and handsome Hanov. Chekhov's social commentary is timeless as Maria longs to have a higher social standing, whereas the wealthy Hanov does not appreciate his fortune. This character-driven drama tells an engaging tale of the struggle between accepting your situation and yearning for more. Fans of Jane Austen should read this short story for its poignant portrayal of a woman's desires in an unequal society. A prolific writer of seven plays, a novel and hundreds of short stories, Anton Chekhov (1860-1904) is considered one of the best practitioners of the short story genre in literature. True to life and painfully morbid with his miserable and realistic depictions of Russian everyday life, Chekhov's characters drift between humour, melancholy,

artistic ambition, and death. Some of his best-known works include the plays 'Uncle Vanya', 'The Seagull', and 'The Cherry Orchard', where Chekhov dramatizes and portrays social and existential problems. His short stories unearth the mysterious beneath the ordinary situations, the failure and horror present in everyday life.

Appearance and Sense - Gustav Shpet
2012-12-06

Despite, or perhaps better by virtue of, its very brevity, Appearance and Sense is a difficult text to read and understand, particularly if we make the attempt independently of Husserl's Ideas I. This is certainly at least in part owing to the intent behind Shpet's work. On the one hand it strives to present Husserl's latest views to a Russian philosophical audience not yet conversant with and, in all likelihood, not even aware of, his transcendental idealist turn. With this aim any reading would perforce be exacting. Yet, on the other hand, Shpet has made scant concession to his public. Indeed, his text is even more compressed, especially in the crucial areas dealing with the sense-bestowing feature of consciousness, than Husserl's own. For all that, Shpet has not bequeathed to us simply an

abbreviated paraphrase nor a selective commentary on Ideas I, although at many points it is just that. Rather, the text on the whole is a critical engagement with Husserl's thought, where Shpet among other things reformulates or at least presents Husserl's phenomenology from the perspective of hoping to illuminate a traditional philosophical problem in a radical manner. Since Husserl's text was published only in 1913 and Shpet's appeared sometime during 1914, the latter must have been conceived, thought through, and written in remarkable haste. Indeed, Shpet had already finished a first draft and was busy with a revision of it by the end of 1913.

A Haunted Land - Randolph Stow 1956

Patrick White - David Marr 2012-02-01

The award-winning and bestselling biography of Australia's only Nobel Prize-winner for Literature. 'I think this book should be called The Monster of All Time. But I am a monster . . .'

Patrick White Patrick White, winner of the Nobel Prize and author of more than a dozen novels and plays - including Voss, The Vivisector and The Twyborn Affair - lived an extraordinary life. David Marr's brilliant biography draws not only on a wide range of original research but also on the single most difficult and important source of all: the man himself. In the weeks before his death, White read the final manuscript, which for richness of detail, authority and balance is stunning. Throughout his exciting narrative, Marr explores the roots of White's writing and unearths the raw material of his remarkable art. He makes plain the central fact of White's life as an artist: the homosexuality that formed his view of himself as an outcast and stranger able to penetrate the hearts of both men and women. Gracefully written and exhaustively researched, Patrick White is a biography of classic excellence - sympathetic, objective, penetrating and as blunt, when necessary, as White himself.

Napoleon, CEO - Alan Axelrod 2011-12-01

The next in Alan Axelrod's engaging and popular CEO series spotlights a perfect subject: Napoleon, the brilliant military strategist who also laid the administrative and judicial foundations for much of Western Europe. Axelrod looks at this much-studied figure in a new way, exploring six areas that constitute the core of what made Napoleon a great leader: Audacity, Vision, Empathy, Strategy, Logistics, and Tactics. Within these areas Axelrod formulates approximately 60 lessons framed in military analogies, valuable for anyone who aspires to leadership, whether in the boardroom or the Oval Office.

Elizabeth Macarthur - Michelle Scott Tucker
2018-04-02

'An intimate portrait of a woman who changed herself and Australia...Michelle Scott Tucker makes Elizabeth Macarthur step off the page.'

David Hunt , Author of Girt In 1788 a young gentlewoman raised in the vicarage of an English village married a handsome, haughty

and penniless army officer. In any Austen novel that would be the end of the story, but for the real-life woman who became an Australian farming entrepreneur, it was just the beginning. John Macarthur took credit for establishing the Australian wool industry and would feature on the two-dollar note, but it was practical Elizabeth who managed their holdings—while dealing with the results of John’s manias: duels, quarrels, court cases, a military coup, long absences overseas, grandiose construction projects and, finally, his descent into certified insanity. Michelle Scott Tucker shines a light on an often-overlooked aspect of Australia’s history in this fascinating story of a remarkable woman. Michelle Scott Tucker owns and operates a management consulting company, and lives on a small farm in regional Victoria with her husband and children. Elizabeth Macarthur is her first book. “Tucker’s great achievement is to have scraped back the familiar historical material to uncover a fresh and compelling portrait of

Elizabeth Macarthur in her own words and the words of those who knew her.’ Australian ‘In writing this lively, entertaining and profoundly empathetic biography, [Tucker] has also brought other colonial women out of the shadows and told their story too...There are not many biographies or histories of Australia that are unputdownable, but this one is. Highly recommended!’ ANZ LitLovers ‘The triumphs and trials of Elizabeth Macarthur, a capable business woman and dedicated wife and mother, are given their due in this impressively researched biography.’ Brenda Niall ‘This carefully researched history is a highly interesting read that highlights the importance of women in the settlement of New South Wales.’ Otago Daily Times ‘Finally, Elizabeth Macarthur steps out from the long shadow of her infamous, entrepreneurial husband. In Michelle Scott Tucker’s devoted hands, Elizabeth emerges as a canny businesswoman, charming diplomat, loving mother and indefatigable survivor. A fascinating,

faithful portrait of a remarkable woman and the young, volatile colony she helped to build.' Clare Wright 'A nourishing, fascinating, and eye-opening read.' Alpha Reader 'Tucker expertly details the trials, tragedies and triumphs of the early settlement of NSW...This book is an important historical memoir documenting the incredible life of an Australian pioneer and her role as the matriarch of one of Australia's first agricultural dynasties.' Countryman 'Elizabeth Macarthur: A Life at the Edge of the World is a great read. It crafts a compulsive story with good research, giving a convincing look into colonial New South Wales. It offers the pleasures of fine biography in tracing one person's life in all its seasons, through its successes and failures, joys and miseries.' NathanHobby blog 'A stunning and intimate look at Elizabeth [Macarthur] and the family's lives...Should be required reading in schools...An informative and learned look at colonial history.' The Burnt Ones - Patrick White 2011-01-11

The Sweetest Fruits - Monique Truong
2021-08-31

With brilliant sensitivity and an unstinting eye, *The Sweetest Fruits* illuminates the women's tenacity and their struggles in this novel that circumnavigates the globe in the search for love, family, home, and belonging. Monique Truong gives voice to three women, Rosa, Alethea, and Setsu, who each tell the story of their life with

Lafcadio Hearn (1850-1904), a globetrotting Greek-Irish writer best known as the author of America's first Creole cookbook and for his many volumes about the folklore and ghost stories of Meiji Era Japan. An immigrant thrice over, Hearn is now remembered at best as a keen cultural observer and at worst as a purveyor of exotica. In their own unorthodox ways, the three women are also intrepid travelers and explorers. Their accounts witness Hearn's remarkable life but also seek to witness their own existence and luminous will to live unbounded by gender, race, and the mores of their time. Each is a gifted storyteller with her own precise reason for sharing her story, and together their voices offer a revealing, often contradictory portrait of Hearn. 'It isn't only the fantastic Lafcadio Hearn who springs to new life in these pages. The women around him do as well, even as they mix the extraordinary and the ordinary in an exhilarating new way. The Sweetest Fruits is brilliant and heartbreaking-I

was transfixed.' —Gish En, author of Typical American 'Presented in four courses from the perspective of the women closest to him, The Sweetest Fruits is a feast you'll want to devour for its arresting metaphors and its beautiful prose.' —Anita Lo, author of Solo: A Modern Cookbook for One 'Intimate and sensuous yet majestic in scope, The Sweetest Fruits is a rapturous, glorious novel, extraordinarily alive to the world.' —Idra Novey, author Those Who Knew 'Monique Truong has composed a sublime, many-voiced novel of voyage and reinvention. It will cross horizons, yet remain burrowed in your heart.' —Anthony Marra, author of A Constellation of Vital Phenomena 'By giving readers a concert of voices, at last singing louder than Hearn's biography and mythology, Truong asks us to ponder the ways those who are often ignored and marginalized might have their own rich, epic stories worth telling. In that sense, The Sweetest Fruits is a type of justice.' —Eric Nguyen, author of Diacritics

In Our Mad and Furious City - Guy Gunaratne
2018-12-11

Long-listed for the 2018 Man Booker Prize

Short-listed for the 2018 Gordon Burn Prize

Short-listed for the 2018 Goldsmiths Prize

Inspired by the real-life murder of a British army soldier by religious fanatics, Guy Gunaratne's *In Our Mad and Furious City* is a snapshot of the diverse, frenzied edges of modern-day London. A crackling debut from a vital new voice, it pulses with the frantic energy of the city's homegrown grime music and is animated by the youthful rage of a dispossessed, overlooked, and often misrepresented generation. While Selvon, Ardan, and Yusuf organize their lives around soccer, girls, and grime, Caroline and Nelson struggle to overcome pasts that haunt them. Each voice is uniquely insightful, impassioned, and unforgettable, and when stitched together, they trace a brutal and vibrant tapestry of today's London. In a forty-eight-hour surge of extremism and violence, their lives are

inexorably drawn together in the lead-up to an explosive, tragic climax. *In Our Mad and Furious City* documents the stark disparities and bubbling fury coursing beneath the prosperous surface of a city uniquely on the brink. Written in the distinctive vernaculars of contemporary London, the novel challenges the ways in which we coexist now—and, more important, the ways in which we often fail to do so.

The Tolstoy Estate - Steven Conte 2020-09-01

Epic in scope, ambitious and astonishingly good, *The Tolstoy Estate* proclaims Steven Conte as one of Australia's finest writers. From the winner of the inaugural Prime Minister's Literary Award, Steven Conte, comes a powerful, densely rich and deeply affecting novel of love, war and literature 'Grave, moving, engaging ... full of the flash and fire of dramatic incident, but

also full of real feeling, humour and poignancy, and equipped with plenty of panache ... It deserves the widest possible readership.' The Saturday Paper In the first year of the doomed German invasion of Russia in WWII, a German military doctor, Paul Bauer, is assigned to establish a field hospital at Yasnaya Polyana - the former grand estate of Count Leo Tolstoy, the author of the classic War and Peace. There he encounters a hostile aristocratic Russian woman, Katerina Trubetzkaya, a writer who has been left in charge of the estate. But even as a tentative friendship develops between them, Bauer's hostile and arrogant commanding officer, Julius Metz, becomes erratic and unhinged as the war turns against the Germans. Over the course of six weeks, in the terrible winter of 1941, everything starts to unravel... From the critically acclaimed and award-winning author, Steven Conte, The Tolstoy Estate is ambitious, accomplished and astonishingly good: an engrossing, intense and compelling

exploration of the horror and brutality of conflict, and the moral, emotional, physical and intellectual limits that people reach in war time. It is also a poignant, bittersweet love story - and, most movingly, a novel that explores the notion that literature can still be a potent force for good in our world. Shortlisted for the 2021 Walter Scott Prize Shortlisted for the Age Book of the Year Award 2021 Longlisted for the 2021 ARA Historical Novel Prize Longlisted for the 2021 Colin Roderick Award Longlist Longlisted for the 2021 Indie Book Awards 'Breathtaking ... an intelligent cinematic blockbuster. celebrating the power of literature to dissolve barriers and forge connections.' The West Australian 'Reading a book that is such a complete world, evoked in such fine detail, is almost wickedly satisfying ... Elegant, intelligent, utterly engrossing and immersive ... He reminds us that travel is always possible in the imagination even when reality goes dark and that literature always leads us towards the light.' Caroline

Baum 'Steven Conte has written a sweeping historical saga spanning the second world WAR and the frigid decades of PEACE that followed; an essential novel about essential things - love's triumphs and failures, the redoubtable human spirit, and the power of literary art itself. Tolstoy, of course, is at the novel's heart, and in its very soul.' Luke Slattery, author, journalist, Books Editor of Australian Financial Review 'A riveting story of war, love and literature - Conte's prose does not miss a beat.' Popular Politics in the History of South Africa, 1400-1948 - Paul S. Landau 2013-09-26
Popular Politics in the History of South Africa, 1400-1948 offers a newly inclusive vision of South Africa's past. Drawing largely from original sources, Paul Landau presents a history of the politics of the country's people, from the time of their early settlements in the elevated heartlands, through the colonial era, to the dawn

of Apartheid. A practical tradition of mobilization, alliance, and amalgamation persisted, mutated, and occasionally vanished from view; it survived against the odds in several forms, in tribalisms, Christian assemblies, and other, seemingly hybrid movements; and it continues today. Landau treats southern Africa broadly, concentrating increasingly on the southern highveld and ultimately focusing on a transnational movement called the "Samuelites." He shows how people's politics in South Africa were suppressed and transformed, but never entirely eliminated.

How Not to Be a Dick - Meghan Doherty
2019-08-01

On the one hand, nobody wants to be a dick. On the other hand, dicks are everywhere! They cut in line, talk behind our backs, recline into our seats, and even have the power to morph into trolls online. Their powers are impressive, but with a little foresight and thoughtfulness, we can take a stand against dickishness today. *How Not to Be a Dick* is packed with honest and straightforward advice, but it also includes playful illustrations showing two well-meaning (but not always well behaved) young people as

they confront moments of potential dickishness in their everyday lives. Sometimes they falter, sometimes they triumph, but they always seek to find a better way. And with their help, you can too.
