The Serpent Sea - Martha Wells 2012-01-01

Moon, once a solitary wanderer, has become consort to Jade, sister queen of the Indigo Cloud court. Together, they travel with their people on a pair of flying ships in hopes of finding a new home for their colony. Moon finally feels like he's found a tribe where he belongs. But when the travelers reach the ancestral home of Indigo Cloud, shrouded within the trunk of a mountain-sized tree, they discover a blight infecting its core. Nearby they find the remains of the invaders who may be responsible, as well as evidence of a devastating theft. This discovery sends Moon and the hunters of Indigo Cloud on a quest for the heartstone of the tree — a quest that will lead them far away, across the Serpent Sea. In this followup to *The Cloud Roads*, Martha Wells returns with a world-spanning odyssey, a mystery that only provokes more questions — and the adventure of a lifetime.

The Orphan's Tales: In the Night Garden - Catherynne Valente 2006-10-31

A Book of Wonders for Grown-Up Readers Every once in a great while a book comes along that reminds us of the magic spell that stories can cast over us—to dazzle, entertain, and enlighten. Welcome to the Arabian Nights for our time—a lush and fantastical epic guaranteed to spirit you away from the very first page . . . Secreted away in a garden, a lonely girl spins stories to warm a curious prince: peculiar feats and unspeakable fates that loop through each other and back again to meet in the tapestry of her voice. Inked on her eyelids, each twisting, tattooed tale is a piece in the puzzle of the girl's own hidden history. And what tales she tells! Tales of shape-shifting witches and wild horsewomen, heron kings and beast princesses, snake gods, dog monks, and living stars—each story more strange and fantastic than the one that came before. From ill-tempered “mermaid” to fastidious Beast, nothing is ever quite what it seems in these ever-shifting tales—even, and especially, their teller. Adorned with illustrations by the legendary Michael Kaluta, Valente's enchanting lyrical fantasy offers a breathtaking reinvention of the untold myths and dark fairy tales that shape our dreams. And just when you think you've come to the end, you realize the adventure has only begun.... Praise for *In the Night Garden* “Cathrynne Valente weaves layer upon layer of marvels in her debut novel. *In the Night Garden* is a treat for all who love puzzle stories and the mystical language of talespinners.”—Carol Berg, author of *Daughter of Ancients* “Fabulous talespinning in the tradition of story cycles such as *The Arabian Nights*. Lyrical, wildly imaginative and slyly humorous, Valente's prose possesses an irrepressible spirit.”—K. J. Bishop, author of *The Etched City*

“Astonishing work! Valente's endless invention and mythic range are breathtaking. It's as if she's gone night-wandering, and plucked a hundred distant cultures out of the air to deliver their stories to us.”—Ellen Kushner, author of *Thomas the Rhymer* “Refreshingly original in both style and form, *In the Night Garden* should delight lovers of myth and folklore.”—Juliet Marillier, author of the *Sevenwaters* trilogy

Alif the Unseen - G. Willow Wilson 2012-07-10

A tour-de-force of a debut that blends classic fantasy -- the fascinating, frightening, sometimes-invisible world of the djinn -- that's genius to some of us -- with the 21st-century reality of a super-hacker in mortal danger in a repressive security state on the Arabian Gulf. Alif (that's his handle) is a brilliant young superhacker working out of his mother's small apartment, and his computer has just been breached. While Alif scrambles to protect his clients -- dissidents and outlaws alike, whoever needs to hide their digital traces, he and his friends realize that they've been found by 'the Hand' -- maybe a person, maybe a program, but definitely able to find anyone, and that could lead to prison, or worse. Alif, with the help of his childhood friend Dina, an ancient book sent to him in secret by his lost love (who may be frighteningly connected to the Hand) and a terrifying protector who almost looks human, must go underground -- or rather, find a way into the hidden world of the djinn. They wrote the mysterious book centuries ago, and have knowledge that might just allow Alif to infiltrate the most sophisticated information technology the world has ever seen, and perhaps save himself, his loved ones, and freedom itself. With shades of Neil Gaiman, Philip Pullman, William Gibson, and the timeless *Thousand and One Nights*, *Alif the Unseen* is a tour-de-force debut with major potential -- a masterful, addictive blend of the ancient and the more-than-modern, smuggled inside an irresistible page-turner.

The Siren Depths - Martha Wells 2012-12-04

All his life, Moon roamed the Three Worlds, a solitary wanderer forced to hide his true nature — until he was reunited with his own kind, the Raksura, and found a new life as consort to Jade, sister queen of the Indigo Cloud court. But now a rival court has laid claim to him, and Jade may or may not be willing to fight for him. Beset by doubts, Moon must travel in the company of strangers to a distant realm where he will finally face the forgotten secrets of his past, even as an old enemy returns with a vengeance. The Fell, a vicious race of shape-shifting predators, menaces groundlings and Raksura alike. Determined to crossbreed with the Raksura for arcane purposes, they are driven by an ancient voice that cries out from . . . The siren depths.

Dragon Champion - E. E. Knight 2010

From the national bestselling and award-winning author of the *Vampire Earth* saga comes the first in a fantastic new series.

Exit Strategy - Martha Wells 2018-10-02

Martha Wells's Hugo, Nebula, Alex, and Locus Award-winning, New York Times and USA Today bestselling series, *The Murderbot Diaries*, comes to a thrilling conclusion in *Exit Strategy*. *Murderbot* wasn't programmed to care. So, its decision to help the only human who ever showed it respect must be a system glitch, right? Having traveled the width of the galaxy to unearth details of its own murderous transgressions, as well as those of the GrayCris Corporation, *Murderbot* is heading home to help Dr. Mensah—its former owner (protector? friend?)—submit evidence that could prevent GrayCris from destroying more colonists in its never-

ending quest for profit. But who's going to believe a SecUnit gone rogue? And what will become of it when it's caught? "I love Murderbot!" —Ann Leckie *The Murderbot Diaries #1 All Systems Red #2 Artificial Condition #3 Rogue Protocol #4 Exit Strategy* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Planet of the Ants - Susanne Foitzik 2022-03-29

Shortlisted for the 2022 Helen and Kurt Wolff Translator's Prize This sweeping portrait of the world's uncontested six-legged conquerors will open your eyes to the secret societies thriving right beneath your feet—and shift your perspective on humanity. Publisher's note: Planet of the Ants was previously published in hardcover as *Empire of Ants*. Ants number in the ten quadrillions, and they have been here since the Jurassic era. Inside an anthill, you'll find high drama worthy of a royal court; and between colonies, high-stakes geopolitical intrigue is afoot. Just like us, ants grow crops, raise livestock, tend their young and infirm, and make vaccines. And, just like us, ants have a dark side: They wage war, despoil environments, and enslave rivals—but also rebel against their oppressors. Engineered by nature to fulfill their particular roles, ants flawlessly perform a complex symphony of tasks to sustain their colony—seemingly without a conductor—from fearsome army ants, who stage twelve-hour hunting raids where they devour thousands, to gentle leafcutters cooperatively gardening in their peaceful underground kingdoms. Acclaimed biologist Susanne Foitzik has traveled the globe to study these master architects of Earth. Joined by journalist Olaf Fritsche, Foitzik invites readers deep into her world—in the field and in the lab. (How do you observe the behavior of ants just millimeters long—or dissect a brain the width of a needle?) With more than sixty black-and-white photographs and illustrations throughout, Planet of the Ants will inspire new respect for ants as a global superpower—and raise new questions about the very meaning of "civilization."

The Hanged Man - K.D. Edwards 2019-12-17

The last member of a murdered House tries to protect his ward from forced marriage to a monster while uncovering clues to his own tortured past. The Tarot Sequence imagines a modern-day Atlantis off the coast of Massachusetts, governed by powerful Courts based on the traditional Tarot deck. Rune Saint John, last child of the fallen Sun Throne, is backed into a fight of high court magic and political appetites in a desperate bid to protect his ward, Max, from a forced marital alliance with the Hanged Man. Rune's resistance will take him to the island's dankest corners, including a red light district made of moored ghost ships; a surreal skyscraper farm; and the floor of the ruling Convocation, where a gathering of Arcana will change Rune's life forever.

Fugitive Telemetry - Martha Wells 2021-04-27

The New York Times bestselling security droid with a heart (though it wouldn't admit it!) is back in Fugitive Telemetry! Having captured the hearts of readers across the globe (Annalee Newitz says it's "one of the most humane portraits of a nonhuman I've ever read") Murderbot has also established Martha Wells as one of the great SF writers of today. No, I didn't kill the dead human. If I had, I wouldn't dump the body in the station mall. When Murderbot discovers a dead body on Preservation Station, it knows it is going to have to assist station security to determine who the body is (was), how they were killed (that should be relatively straightforward, at least), and why (because apparently that matters to a lot of people—who knew?) Yes, the unthinkable is about to happen: Murderbot must voluntarily speak to humans! Again! A new standalone adventure in the New York Times-bestselling, Hugo and Nebula Award winning series! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Kingdom of Gods - N. K. Jemisin 2011-10-27

Shahar and the godling Sieh must face off against the terrible magic threatening to consume their world in the incredible conclusion to the Inheritance Trilogy, from Hugo award-winning and NYT bestselling author N. K. Jemisin. For two thousand years the Arameri family has ruled the world by enslaving the very gods that created mortalkind. Now the gods are free, and the Arameri's ruthless grip is slipping. Yet they are all that stands between peace and world-spanning, unending war. Shahar, last scion of the family, must choose her loyalties. She yearns to trust Sieh, the godling she loves. Yet her duty as Arameri heir is to uphold the family's interests, even if that means using and destroying everyone she cares for. As long-suppressed rage and terrible new magics consume the world, the Maelstrom -- which even gods fear -- is summoned forth. Shahar and Sieh: mortal and god, lovers and enemies. Can they stand together against the chaos that threatens? Includes a never before seen story set in the world of the Inheritance Trilogy. The

Many tales are told of the Syltoon Empire and its fearsome soldiers, who are known throughout the world for their treachery and atrocities. Some say that the Syltoon eat virgins and babies-or perhaps their own mothers. Arkamondos, a bookish young scribe, suspects that the Syltoon's dire reputation may have grown in the retelling, but he's about to find out for himself. Hired to chronicle the exploits of a band of rugged Syltoon warriors, Arki finds himself both frightened and fascinated by the men's enigmatic leader, Captain Braylar Killcoin. A secretive, mercurial figure haunted by the memories of those he's killed with his deadly flail, Braylar has already disposed of at least one impertinent scribe . . . and Arki might be next. Archiving the mundane doings of millers and merchants was tedious, but at least it was safe. As Arki heads off on a mysterious mission into parts unknown, in the company of the coarse, bloody-minded Syltoon, he is promised a chance to finally record an historic adventure well worth the telling, but first he must survive the experience! A gripping military fantasy in the tradition of Glen Cook, Scourge of the Betrayer explores the brutal politics of Empire-and the searing impact of violence and dark magic on a man's soul.

The Hundred Thousand Kingdoms - N. K. Jemisin 2010-02-25

After her mother's mysterious death, a young woman is summoned to the floating city of Sky in order to claim a royal inheritance she never knew existed in the first book in this award-winning fantasy trilogy from the NYT bestselling author of *The Fifth Season*. Yeine Darr is an outcast from the barbarian north. But when her mother dies under mysterious circumstances, she is summoned to the majestic city of Sky. There, to her shock, Yeine is named an heiress to the king. But the throne of the Hundred Thousand Kingdoms is not easily won, and Yeine is thrust into a vicious power struggle with cousins she never knew she had. As she fights for her life, she draws ever closer to the secrets of her mother's death and her family's bloody history. With the fate of the world hanging in the balance, Yeine will learn how perilous it can be when love and hate - and gods and mortals - are bound inseparably together. Manny Boreaux, a troubled adolescent from Texas, is magically transported into the body of a goblin pickpocket in an alternate world inhabited by faerie creatures. Manny must quickly adapt to the danger all around him and try to find a way to get back home, a feat complicated by the pickpocket's association with a notorious gang of thieves. But when Manny uncovers a plot to assassinate a young king, he must enlist the aid of an elf cavalier and a cat burglar to thwart a Sidhe witch's scheme to ignite a civil war between humans and the Fae.

Rogue Protocol - Martha Wells 2018-08-07

Rogue Protocol is the third entry in Martha Wells's Hugo, Nebula, Alex, and Locus Award-winning, New York Times and USA Today bestselling series, *The Murderbot Diaries*. Starring a human-like android who keeps getting sucked back into adventure after adventure, though it just wants to be left alone, away from humanity and small talk. Who knew being a heartless killing machine would present so many moral dilemmas? Sci-fi's favorite antisocial A.I. is back on a mission. The case against the too-big-to-fail GrayCris Corporation is floundering, and more importantly, authorities are beginning to ask more questions about where Dr. Mensah's SecUnit is. And Murderbot would rather those questions went away. For good. Edge of Worlds - Martha Wells 2016-04-05

An expedition of groundlings from the Empire of Kish have traveled through the Three Worlds to the Indigo Cloud court of the Raksura, shape-shifting creatures of flight that live in large family groups. The groundlings have found a sealed ancient city at the edge of the shallow seas, near the deeps of the impassable Ocean. They believe it to be the last home of their ancestors and ask for help getting inside. But the Raksura fear it was built by their own distant ancestors, the Forerunners, and the last sealed Forerunner city they encountered was a prison for an unstoppable evil. Prior to the groundlings' arrival, the Indigo Cloud court had been plagued by visions of a disaster that could destroy all the courts in the Reaches. Now, the court's mentors believe the ancient city is connected to the foretold danger. A small group of warriors, including consort Moon, an orphan new to the colony and the Raksura's idea of family, and sister queen Jade, agree to go with the groundling expedition to investigate. But the predatory Fell have found the city too, and in the race to keep the danger contained, the Raksura may be the ones who inadvertently release it. *The Edge of Worlds*, from celebrated fantasy author Martha Wells, returns to the fascinating world of *The Cloud Roads* for the first book in a new series of strange lands, uncanny beings, dead cities, and ancient danger.

The Black Tides of Heaven - Neon Yang 2017-09-26

For more of the story you can read its twin novella *The Red Threads of Fortune*, available simultaneously. Mokoya and Akeha, the twin children of the Protector, were sold to the Grand Monastery as infants. While Mokoya developed her strange prophetic gift, Akeha was always the one who could see the strings that moved adults to action. While Mokoya received visions of what would be, Akeha realized what could be. What's more, they saw the sickness at the heart of their mother's Protectorate. A rebellion is growing. The Machinists discover new levers to move the world every day, while the Tensors fight to put them down and preserve the power of the state. Unwilling to continue as a pawn in their mother's twisted schemes, Akeha leaves the Tensorate behind and falls in with the rebels. But every step Akeha takes towards the Machinists is a step away from Mokoya. Can Akeha find peace without shattering the bond they share with their twin? *The Tensorate Series Book 1: The Black Tides of Heaven Book 2: The Red Threads of Fortune Book 3: The Descent of Monsters Book 4: The Ascent to Godhood* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Element of Fire - Martha Wells 2015-09-23

The kingdom of Ile-Rien is in peril, menaced by magical threats and court intrigue. As the weak King Roland, misled by treacherous companions, rules the country, only his ruthless mother, the Dowager Queen Ravenna, truly guards the safety of the realm. But now Urbain Grandier, the dark master of scientific sorcery, has arrived to plot against the throne and Kade, bastard sister of the king, has appeared unexpectedly at court. The illegitimate daughter of the old king and the Queen of Air and Darkness herself, Kade's true goals are cloaked in mystery. Is she in league with the wizard Grandier? Or is she laying claim to the throne? It falls to Thomas Boniface, Captain of the Queen's Guard and Ravenna's former lover, to sort out who is friend and who is foe in a deadly game to keep the Dowager Queen and the kingdom she loves from harm. The Cloud Roads - Martha Wells 2011-03-01

Moon has spent his life hiding what he is — a shape-shifter able to transform himself into a winged creature of flight. An orphan with only vague memories of his own kind, Moon tries to fit in among the tribes of his river valley, with mixed success. Just as Moon is once again cast out by his adopted tribe, he discovers a shape-shifter like himself... someone who seems to know exactly what he is, who promises that Moon will be welcomed into his community. What this stranger doesn't tell Moon is that his presence will tip the balance of power... that his extraordinary lineage is crucial to the colony's survival... and that his people face

extinction at the hands of the dreaded Fell! Now Moon must overcome a lifetime of conditioning in order to save and himself... and his newfound kin.

The Bookman - Lavie Tidhar 2016-06-07

In a 19th century unlike our own, the shadowy assassin known as the Bookman moves unseen. His weapons are books; his enemies are many. And when Orphan, a young man with a mysterious past, loses his love to the sinister machinations of the Bookman, Orphan would stop at nothing to bring her back from the dead. In *The Bookman*, World Fantasy Award winner Lavie Tidhar writes a love letter to books, and to the serial literature of the Victorian era: full of hair-breadth escapes and derring-dos, pirates and automatons, assassins and poets, a world in which real life authors mingle freely with their fictional creations — and where nothing is quite as it seems. New 2016 edition includes the novelette "Murder in the Cathedral". Discover, truthfully, what actually happened when Orphan visited Paris. File Under: Steampunk [Alternate Victorian London | Reptilian royalty | Diabolical anarchists | Extraordinary adventure!]

The Gate of Gods - Martha Wells 2009-10-13

Tremaine Valiarde and a small, brave band of heroes ventured into a wondrous new realm on their desperate mission to save Ile-Rien from the conquering Gardier. Now, as a relentless enemy creates chaos and destruction -- with the fate of the magical city of Lodun hanging in the balance -- the last hope of a land besieged may rest on the far side of a secret portal. But the doorway leads to a mysterious ruin hidden behind the awesome Gate of Gods -- and to perils that dwarf anything Tremaine and her allies could have possibly imagined. . . .

Paladin of Souls - Lois McMaster Bujold 2009-10-13

One of the most honored authors in the field of fantasy and science fiction, Lois McMaster Bujold transports us once more to a dark and troubled land and embroils us in a desperate struggle to preserve the endangered souls of a realm. Three years have passed since the widowed Dowager Royina Ista found release from the curse of madness that kept her imprisoned in her family's castle of Valenda. Her newfound freedom is costly, bittersweet with memories, regrets, and guilty secrets -- for she knows the truth of what brought her land to the brink of destruction. And now the road -- escape -- beckons. . . . A simple pilgrimage, perhaps. Quite fitting for the Dowager Royina of all Chalion. Yet something else is free, too -- something beyond deadly. To the north lies the vital border fortress of Porifors. Memories linger there as well, of wars and invasions and the mighty Golden General of Jokona. And someone, something, watches from across that border -- humans, demons, gods. Ista thinks her little party of pilgrims wanders at will. But whose? When Ista's retinue is unexpectedly set upon not long into its travels, a mysterious ally appears -- a warrior nobleman who fights like a berserker. The temporary safety of her enigmatic champion's castle cannot ease Ista's mounting dread, however, when she finds his dark secrets are entangled with hers in a net of the gods' own weaving. In her dreams the threads are already drawing her to unforeseen chances, fateful meetings, fearsome choices. What the inscrutable gods commanded of her in the past brought her land to the brink of devastation. Now, once again, they have chosen Ista as their instrument. And again, for good or for ill, she must comply.

City of Bones - Martha Wells 2007-12-01

On a desert-like planet two men hunt for relics they sell to a ruling race which needs them for its power. One day the hunters discover for themselves what that power is. By the author of *The Element of Fire*.

Truth of the Divine - Lindsay Ellis 2021-10-19

USA TODAY BESTSELLER *Truth of the Divine* is the latest alternate-history first-contact novel in the Noumena series from the instant New York Times, Wall Street Journal and Los Angeles Times bestselling author Lindsay Ellis. The human race is at a crossroads; we know that we are not alone, but details about the alien presence on Earth are still being withheld from the public. As the political climate grows more unstable, the world is forced to consider the ramifications of granting human rights to nonhuman persons. How do you define "person" in the first place? Cora Sabino not only serves as the full-time communication intermediary between the alien entity Ampersand and his government chaperones but also shares a mysterious bond with him that is both painful and intimate in ways neither of them could have anticipated. Despite this, Ampersand is still keen on keeping secrets, even from Cora, which backfires on them both when investigative journalist Kaveh Mazandarani, a close colleague of Cora's unscrupulous estranged father, witnesses far more of Ampersand's machinations than anyone was meant to see. Since Cora has no choice but to trust Kaveh, the two must work together to prove to a fearful world that intelligent, conscious beings

should be considered persons, no matter how horrifying, powerful, or malicious they may seem. Making this case is hard enough when the public doesn't know what it's dealing with—and it will only become harder when a mysterious flash illuminates the sky, marking the arrival of an agent of chaos that will light an already-unstable world on fire. With a voice completely her own, Lindsay Ellis deepens her realistic exploration of the reality of a planet faced with the presence of extraterrestrial intelligence, probing the essential questions of humanity and decency, and the boundaries of the human mind. While asking the question of what constitutes a "person," Ellis also examines what makes a monster.

[A Darkling Sea](#) - James L. Cambias 2014-01-28

On the planet Ilmatar, under a roof of ice a kilometer thick, a team of deep-sea diving scientists investigates the blind alien race that lives below. The Terran explorers have made an uneasy truce with the Sholen, their first extraterrestrial contact: so long as they don't disturb the Ilmataran habitat, they're free to conduct their missions in peace. But when Henri Kerlerec, media personality and reckless adventurer, ends up sliced open by curious Ilmatarans, tensions between Terran and Sholen erupt, leading to a diplomatic disaster that threatens to escalate to war. Against the backdrop of deep-sea guerrilla conflict, a new age of human exploration begins as alien cultures collide. Both sides seek the aid of the newly enlightened Ilmatarans. But what this struggle means for the natives—and the future of human exploration—is anything but certain, in *A Darkling Sea* by James Cambias. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Dread Hammer - Trey Shiels 2011-05

Ketty is a pretty shepherdess with a contrary nature, who runs away from home to escape an unwanted marriage. As she flees along the forest road, she prays to the Dread Hammer for help—and to her astonishment help comes in the form of a charming and well-armed young murderer named Smoke. As Ketty soon discovers, Smoke is not entirely human. Smoke, too, is taken by surprise at their encounter. He had lurked beside the forest road intending to pierce hearts and slit throats, not to fall in love. But love it is—or it would be—if only he can convince Ketty that marriage is better than death. But just when happily-ever-after seems within reach, Smoke's past returns to claim him. A deserter from the Kor yos army, his supernatural skill at killing is still very much in demand. Now the army wants him back. *The Dread Hammer* is an enthralling, darkly comic fairytale of love, war, murder, marriage, and fate.

[Stories of the Raksura](#) - Martha Wells 2017-12-12

In "The Dark Earth Below," Moon and Jade face their biggest adventure yet; their first clutch. But even as Moon tries to prepare for impending fatherhood, members of the Kek village in the colony tree's roots go missing, and searching for them only leads to more mysteries as the court is stalked by an unknown enemy. *Stories of Moon and the shape changers of Raksura* have delighted readers for years. This world is a dangerous place full of strange mysteries, where the future can never be taken for granted and must always be fought for with wits and ingenuity, and often tooth and claw.

[The Harbors of the Sun](#) - Martha Wells 2017-07-04

A former friend has betrayed the Raksura and their groundling companions, and now the survivors must race across the Three Worlds to rescue their kidnapped family members. When Moon and Stone are sent ahead to scout, they quickly encounter an unexpected and potentially deadly ally, and decide to disobey the queens and continue the search alone. Following in a wind-ship, Jade and Malachite make an unlikely alliance of their own, until word reaches them that the Fell are massing for an attack on the Reaches, and that forces of the powerful Empire of Kish are turning against the Raksura and their groundling comrades. But there may be no time to stage a rescue, as the kidnapped Raksura discover that their captors are heading toward a mysterious destination with a stolen magical artifact that will cause more devastation for the Reaches than anything the lethal Fell can imagine. To stop them, the

Raksura will have to take the ultimate risk and follow them into forbidden territory. *The Harbors of the Sun*, from celebrated fantasy author Martha Wells, is the thrilling follow-up to *The Edge of Worlds*, and the conclusion of a new Three Worlds duology of strange lands, uncanny beings, dead cities, and ancient danger.

[Emilie and the Hollow World](#) - Martha Wells 2013-04-02

While running away from home for reasons that are eminently defensible, Emilie's plans to stow away on the steamship *Merry Bell* and reach her cousin in the big city go awry, landing her on the wrong ship and at the beginning of a fantastic adventure. Taken under the protection of Lady Marlende, Emilie learns that the crew hopes to use the aether currents and an experimental engine, and with the assistance of Lord Engal, journey to the interior of the planet in search of Marlende's missing father. With the ship damaged on arrival, they attempt to traverse the strange lands on their quest. But when evidence points to sabotage and they encounter the treacherous Lord Ivers, along with the strange race of the sea-lands, Emilie has to make some challenging decisions and take daring action if they are ever to reach the surface world again.

[Beggars in Spain](#) - Nancy Kress 2009-05-19

In a world where the slightest edge can mean the difference between success and failure, Leisha Camden is beautiful, extraordinarily intelligent ... and one of an ever-growing number of human beings who have been genetically modified to never require sleep. Once considered interesting anomalies, now Leisha and the other "Sleepless" are outcasts -- victims of blind hatred, political repression, and shocking mob violence meant to drive them from human society ... and, ultimately, from Earth itself. But Leisha Camden has chosen to remain behind in a world that envies and fears her "gift" -- a world marked for destruction in a devastating conspiracy of freedom ... and revenge.

The Wizard Hunters - Martha Wells 2009-10-13

Once a fertile and prosperous land, Ile-Rien is under attack by the Gardier, a mysterious army whose storm-black airships appear from nowhere to strike without warning. Every weapon in the arsenal of Ile-Rien's revered wizards has proven useless. And now the last hope of a magical realm under siege rests within a child's plaything.

[Stories of the Raksura](#) - Martha Wells 2014-09-02

In "The Falling World," Jade, sister queen of the Indigo Cloud Court, has traveled with Chime and Balm to another Raksuran court. When she fails to return, her consort, Moon, along with Stone and a party of warriors and hunters, must track them down. Finding them turns out to be the easy part; freeing them from an ancient trap hidden in the depths of the Reaches is much more difficult.

[A Companion to Wolves](#) - Sarah Monette 2008-07-29

[Partisanas](#) - Ingrid Strobl 2008

"Common stereotypes of women during wartime relegate them to the sidelines of history - to supporting roles like dutiful munitions factory workers or devoted wives waiting for their men to return home. The truth is that much of the armed resistance to fascism, before and during World War II, can be chalked up to women about whom official accounts have little or nothing to say. Through years of intrepid research and numerous interviews with the participants themselves, Ingrid Strobl excavates the history of the women who shouldered guns, planned assassinations, planted bombs, and were among the era's most active antifascist fighters. Strobl's commitment to and respect for her subjects has resulted in a work of both scholarly rigor and emotional depth. Weaving moving personal narratives into the broader history of the European resistance, *Partisanas* is both a detailed historical account and an investigation into what compelled women to reject their traditional roles to take up arms in a light for a better world."--BOOK JACKET.

[Dark Lord of Derkholm](#) - Diana Wynne Jones 2012-09-25

Mr. Chesney operates Pilgrim Parties, a tour group that takes paying participants into an outer realm where the inhabitants play frightening and foreboding roles. The time has come to end the staged madness . . . but can it really be stopped? Master storyteller Diana Wynne Jones serves up twists and turns, introduces Querida, Derk, Blade, and Shona and a remarkable cast of wizards, soldiers, kings, dragons, and griffins, and mixes in a lively dash of humor. With all the ingredients of high fantasy, this unforgettable novel will delight fans old and new.

[Axiom's End](#) - Lindsay Ellis 2020-07-21

THE INSTANT NEW YORK TIMES BESTSELLER The alternate history

first contact adventure *Axiom's End* is an extraordinary debut from Hugo finalist and video essayist Lindsay Ellis. Truth is a human right. It's fall 2007. A well-timed leak has revealed that the US government might have engaged in first contact. Cora Sabino is doing everything she can to avoid the whole mess, since the force driving the controversy is her whistleblower father. Even though Cora hasn't spoken to him in years, his celebrity has caught the attention of the press, the Internet, the paparazzi, and the government—and with him in hiding, that attention is on her. She neither knows nor cares whether her father's leaks are a hoax, and wants nothing to do with him—until she learns just how deeply entrenched her family is in the cover-up, and that an extraterrestrial presence has been on Earth for decades. Realizing the extent to which both she and the public have been lied to, she sets out to gather as much

information as she can, and finds that the best way for her to uncover the truth is not as a whistleblower, but as an intermediary. The alien presence has been completely uncommunicative until she convinces one of them that she can act as their interpreter, becoming the first and only human vessel of communication. Their otherworldly connection will change everything she thought she knew about being human—and could unleash a force more sinister than she ever imagined.
