The Secrets to Deliverance - Alexander Pagani 2018-05-01

In recent years deliverance ministry has become increasingly difficult. Even the most seasoned ministers struggle to locate and expel demons. Individuals think they're free from demonic bondage only to be blindsided by another oppressive force. But for New York pastor Alexander Pagani, one experience changed everything. He realized how demons lodge themselves in hidden areas of our lives. First, a demon can quite literally reside in an area of the body. Second, demons can live deep in the soul and remain undetected. Deliverance is like a labyrinth with trap doors, backward stairs, and secret rooms. In *The Secrets to Deliverance* Pagani shares biblical strategies and his own

experiences for evicting the demons in the "rooms" of your soul and body. Featuring prayers and declarations, this book will instruct you how to strategically and powerfully overtake the enemy so that you can live the life God intended for you.

Aretha Franklin - Mark Bego 2018-09-18

The New York Times–bestselling author's definitive biography reveals the singer-songwriter's life from her gospel roots to her reign as the Queen of Soul. Originally positioned to become a gospel star in her father's Detroit church, Aretha Franklin had a privileged upbringing in 1950s Detroit. Stars such as Mahalia Jackson, Dinah Washington, and Sam Cooke regularly visited her father, Rev. C. L.

Franklin. After recording her first album at the age of fourteen, it wasn't long before she started producing a string of hits, from "Respect" and "Think" to "Freeway of Love." With two teenage pregnancies and an abusive first marriage, drinking problems, battles with her weight, the murder of her father, and tabloid wars, Aretha's life was a roller coaster. Mark Bego's engaging biography draws on original interviews with family members, record producers, fellow singers, and a rare one-on-one session with Aretha herself. Every album, accolade, and personal drama is examined, allowing Franklin's singular story to unfold on its own.

Do you know that just beneath your feet are deep wells of revival? Are you aware that you are standing on bottomless geysers and founts of the anointing and mandates of our spiritual forefathers and mothers that are just waiting to be released afresh to you? God is calling us as instruments today to unstop the wells and reclaim the spiritual inheritance of our nation. This same God who visited America in the Great Awakening, the Azusa Street Revival, the Jesus Movement, the Charismatic Outpouring, and more, wants to again honor His eternal

covenants with the men and women of faith who have gone before us. God is ready to loose revival fires and miracles to the spiritual descendants of people like Jonathan Edwards, Henrietta Mears, Aimee Semple McPherson, Charles Finney, William Seymour, and Frank Bartleman. Glorified Fasting - Franklin Hall 2017-01-27
2017 Reprint of 1948 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. Along with many others of the depression era healers, Franklin Hall grew up in rural poverty and was deeply religious. Initially he was with the Methodist church but their stance against healing forced him elsewhere. During the depression and World War II he travelled as an independent evangelist. In 1946, he published a brief book entitled

"Atomic Power with God through Prayer and Fasting." The book, which provided detailed information on the methods and benefits of fasting, was an immediate success and brought Hall considerable fame. According to Hall, all of the major evangelists began following his fasting regime and miracles erupted everywhere. Many observers of the early revival years agreed, as one said, "Every one of these men down through the years followed Franklin Hall's method of fasting." "Gloried Fasting" further explores the significance of fasting for Christians and provides vivid testimonials from those transformed by their experiences with fasting. *Did America Have a Christian Founding?* - Mark David Hall 2019-10-29

A distinguished professor debunks the assertion that America's Founders were deists who desired the strict separation of church and state and instead shows that their political ideas were profoundly influenced by their Christian convictions. In 2010, David Mark Hall gave a lecture at the Heritage Foundation entitled "Did America Have a Christian Founding?" His balanced and thoughtful approach to this controversial question caused a sensation. C-SPAN televised his talk, and an essay based on it has been downloaded more than 300,000 times. In this book, Hall expands upon this essay, making the airtight case that America's Founders were not deists. He explains why and how the Founders' views are absolutely relevant today, showing that they did not create a "godless" Constitution; that even Jefferson and Madison did not want a high wall separating church and state; that most Founders believed the government should encourage Christianity; and that they embraced a robust understanding of religious liberty for biblical and theological reasons. This compelling and utterly persuasive book will convince skeptics and equip believers and conservatives to defend the idea that Christian thought was crucial to the nation's founding--and that this benefits all of us, whatever our faith (or lack of faith).

Life Is Short, Leave a Legacy - Todd White
2021-01-05

Evangelist Todd White hears those words often. But the truth is that what Todd shares is not just a story - it's a testimony. It is evidence not only of what God has done but of what He wants to do again. It is evidence of what God can and will do for you, of what God wants to do for you. Fully addicted to drugs and pornography as a child, Todd lived in darkness. But his testimony is about a journey from that utter darkness into marvelous light. It is about a man who hungers for the Word of God and has been radically saved, changed by it. It is about a man learning to be exactly who God created him to be. It is about a child of God walking in the light of Jesus and wanting others to walk in the light too. With refreshing honesty, Todd White challenges readers to make Jesus their everything, to renew their minds, to be bold as lions, and to make an impact for the kingdom of God. *Life Is Short-Leave a Legacy*. TODD WHITE was a drug addict and atheist for 22 years until 2004 when he was radically set free! Todd believes that redemption and righteousness are the foundational keys for living life as a new creation in Christ. Todd's foremost desire is to see the Holy Spirit flowing through believers everywhere that they go-at work, school, grocery stores, malls, gas stations, and more. Todd's true joy is being able to reproduce a 24/7 kingdom lifestyle in every believer. His heart is to activate people in the simplicity of who they really are and confront the barriers that hold them back from being who God created them to be. No one is excluded!

Fasting - Derek Prince 1993-07-01

Fasting is an important key to successful Christian living. It is found throughout the Bible, yet it has been largely set aside by the church. Discover how to release the power of prayer and

fasting in your life with this handbook by Derek Prince. In his clear, easily understood teaching style, he explains that this power is immeasurable when fasting is practiced with right motives and in accordance with the principles of Scripture.

The Fasting Prayer - Franklin Hall 2016-05-22

"And, behold, I send the promise of my Father upon you:" To obtain the "power," the commandment given to us by Jesus: "Tarry ye in the city of Jerusalem (your present city) until ye be endued with power from on high" (Luke 24:49) must be obeyed. Many Christians claim the experience of Acts 2:4, but they have not attained the experience provided for in Luke 24:49. The progress so far is fine, but the deceiver still has many of us lulled to sleep, deluded, and self-satisfied, far from the goal Jesus intended for us to reach. I once owned an airplane, but owning an airplane and getting the motor going so it will take off with its own power are two different things. If you have the Holy Spirit, He still may not have sufficient sway in your life for you to have the advanced experience of power and the gifts of the Spirit. Many do not seek God far enough, and in quite the right manner to allow the Holy Spirit to exert His power, even though He has been received. Every evidence points to the fact that the early church and apostles put into practice what the church has failed to do today. Therefore, they had an experience that overshadows ours. Every single new testament church was founded in fasting and prayer. Acts 14:23. After Jesus said, "I send the promise of the Father upon you" He also told them, "Tarry . . . until ye be endued with power." Where there is a lack of perfection and refinement among God's people, as there is today, this power and the gifts of the Holy Spirit cannot very well be received by prayer alone. (If they can be received in this manner, I ask, where are they? Even in the days of the apostles, they too, found it necessary at times to employ this method to arrest the flesh and become refined in order to receive this power. They were in a state of perfection that far exceeded ours today. We believe many put into practice the prophet's-length fast and obtained the power and gifts. Without following their example and deeds, we are without their mighty experiences. Consecrated fasting acts as a refining fire to the

saint of God, and enables him to become purified and cleansed to such an extent he can obtain the power and the gifts of the Spirit. It actually requires a further process of purification and sanctified living to obtain and retain the gifts of the Spirit than otherwise. The best means of reaching that goal is to do as Paul asked us to do, follow him "in fastings often." This volume endeavors to take what has generally been overlooked, and reveal, perhaps for the first time in detailed form, the secret of the early church. It is made so simple and easy of accomplishment that anyone can have an experience as dynamic as those of any of the apostles and followers of Jesus Christ.

Atomic Power with God, Thru Fasting and Prayer - Franklin Hall 2020-05-29

Atomic Power With God Thru Fasting and Prayer is a short work by the spirited evangelist Franklin Hall. The book describes how prayer during extended fasts can heal the body and soul, and bring practitioners greater spiritual power to exalt and glorify Jesus Christ. Franklin Hall was born in Coffeyville, Kansas, in 1909. Hall's father died when Franklin was only twelve, leaving him distraught with both his loss and the responsibility of supporting his mother and five younger siblings. During these hard times, he looked to the local Pentecostal church for guidance. The church became a major influence on the lives of the young Hall children and their widowed mother, who remarried the reverend soon after. Hall began his own traveling ministry during the Great Depression. But he didn't become well known among evangelicals until the release of his first book, Atomic Power With God Thru Fasting and Prayer, in 1946. In the book, Hall described his own introduction to fasting and prayer through friendship with a Oklahoma family advocating the practice in 1932. He fasted and prayed with them in anticipation of a large revival—and at the ensuing event, "scores of people were healed of all types of afflictions." He became convinced of the power of fasting and began to preach its efficacy as he traveled. In 1946, a group of "Holy Ghost people" began a long session of prayer and fasting, lasting between ten and forty days. According to Hall, they experienced a great spiritual awakening. Some even found healing of physical ailments during the fast. As word of the event spread, Hall found that there was heavy demand for more information about the power of fasting and prayer. Later that same year, Hall wrote Atomic Power. The book explores how fasting intensifies prayer by "[bringing] unity and [filling] us with the glory of God." Through the combination of these two acts, he believed one could enhance their "spiritual appetites" and curtail their hunger, sex, and greed appetites—thereby uncovering their "spiritual atomic power with God that lies available to every Christian."

Hall acknowledged that fasting and prayer were not new. Beyond the multiple examples from the Bible, and specifically from the life of Christ, he cited the fasting and prayer of Native Americans and Muslims who abstained from food as a regular part of their devotional exercises. In addition to the why of fasting, the book explained how one should fast. A complete fast, Hall wrote, should last from the time hunger leaves to the time hunger returns—usually 21 to 40 days. Water should be consumed in abundance to clean out the stomach and intestines of waste. And when it's time to break the fast, Hall provided a detailed breakdown of what to eat and when. Atomic Power brought success and notoriety to Hall, who continued to travel across the country evangelizing to crowds of up to 5,000 people. Immediately after Atomic Power, he published *The Fasting Prayer* in 1947 and *Glorified Fasting: The ABC of Fasting* in 1948. He published a total of 17 books during his lifetime. Hall and his wife, Helen, founded the Hall Deliverance Foundation in the mid-1950s. This alliance of churches and ministries followed Hall's teachings for fasting and prayer. The couple also started *Miracle Word*, a ministry newsletter that had 24,000 subscribers worldwide at its peak. Some other evangelists and Pentecostals did not agree with Hall's teachings. Still, fasting had staunch believers through the 1950s and beyond, including some notable evangelists like Gordon Lindsay, William Branham, and Orval Jagers. Hall's work has now been inspiring Christians to explore the benefits of fasting on their physical and spiritual health for over 70 years.

Glorified Fasting - Franklin Hall 2016-04-14
"STAND FAST, AND hold the traditions which ye have been taught, whether by word, or our epistle Comfort your hearts; and stablish you in every good word and work Finally, brethren, pray for us, that the word; of the Lord may have free course, and be GLORIFIED, even as it is with you." II Thess. 2:15, 17; 3:1.

FASTING, like PRAYER, is a part of the word of God. To dispute this would be as foolish as denying water is wet. Shall we "STAND FAST" on this IRREVOCABLE "TRADITION," which we have been taught in the WORD, since it is indisputably a part of the WORD of God? Let us pray that it will "have free course, AND BE GLORIFIED," in its proper place in order that JESUS may receive more glory and honor from His children. The purpose of this volume is to popularize, perhaps one of the most downtrodden of all Biblical subjects, and assist in the author's small way to reestablish this part of the Gospel, bringing it out in all its glorious aspects. We are dealing with a tremendous portion of the Word—able to open up an avenue to tremendous power and glory with JESUS for the mutual welfare of His body, and the bringing of a mighty last day revival. By the proper utilization of fasting, praying, crying and mourning for souls, and by going into the FASTING-PRAYER without a selfish motive, many pillars of the FAITH can pull together in this travail to such an extent that when tragedy, destruction, persecution, and the rest of the last-day signs approach us more closely, we will have at our disposal a most effective weapon to carry us through for the glory of Jesus. It is NOT the purpose of this book, or any of the other articles on the subject of fasting, to leave an impression that this practice is the Scriptural cure-all for spiritual, moral and bodily complaints. Emphasis is given the subject for the purpose of quickly enlightening God's people who seem to be "falling away" from the old-time faith, and to prevent the unhappy drift towards modernism that is so sweeping the land. We do not emphasize fasting for the purpose of bragging, or for such great merit that it would be boasting before our God, but we are pressing it forward with such tempo so that the children of the Bridegroom will become more quickly and fully prepared for the closing of this Holy Spirit dispensation. This work has grown to such an extent, we have had to give up the revival auditorium. The author is devoting his entire time to the work of fasting, even discontinuing most of the traveling speaking engagements, in order to assure it greater success and promotion over the world for the mutual welfare of Christendom and the Kingdom of God. To make

it even easier to grasp, the author has gone to additional expense in constructing drawings, diagrams and charts for numerous cuts to bring forth quickly through the eye-gate, this precious vital truth of orthodox Christianity. May the reader be blessed by them. This was done solely for the purpose of glorifying our most lovable Jesus. In the name of Father, and of the Son, and of the Holy Ghost, we, therefore, dedicate this work to Jesus. May it bring praise and honor of Him. Revelation 22:17-21.

Fairy Tale - Stephen King 2022-09-06
Legendary storyteller Stephen King goes into the deepest well of his imagination in this spellbinding novel about a seventeen-year-old boy who inherits the keys to a parallel world where good and evil are at war, and the stakes

could not be higher - for their world or ours. Charlie Reade looks like a regular high school kid, great at baseball and football, a decent student. But he carries a heavy load. His mom was killed in a hit-and-run accident when he was ten, and grief drove his dad to drink. Charlie learned how to take care of himself - and his dad. Then, when Charlie is seventeen, he meets a dog named Radar and her aging master, Howard Bowditch, a recluse in a big house at the top of a big hill, with a locked shed in the backyard. Sometimes strange sounds emerge from it. Charlie starts doing jobs for Mr. Bowditch and loses his heart to Radar. Then, when Bowditch dies, he leaves Charlie a cassette tape telling a story no one would believe. What Bowditch knows, and has kept secret all his long life, is that inside the shed is a portal to another world. King's storytelling in *Fairy Tale* soars. This is a magnificent and terrifying tale about another world than ours, in which good is pitted against overwhelming evil, and a heroic boy - and his dog - must lead the battle.
