Le Cordon Bleu at Home - Le Cordon Bleu 1991-10-16

Here is the first English-language cookbook from the Parisian cooking school whose very name epitomizes excellence. Le Cordon Bleu at Home provides a solid understanding of the philosophy and skills taught for nearly a century in the school's nine-month "Classic Cycle" course. Moving through three stages, from basic to advanced techniques, this in-depth approach to classical French cuisine offers a series of easy-to-follow menus and recipes that correspond to classes at the school. Nearly three hundred beautiful color photographs depict finished dishes, serving ideas, and cooking techniques at each stage through completion. Learning to cook means mastering the fundamentals. In "Part One: Getting Started," you'll learn how to roast, poach, fry, saute, braise, and stew. You'll learn which cuts of meat are most appropriate for a dish, which utensils to use and how to use them, and preliminary preparations that simplify tasks. The menus focus on basic dishes -- from roast chicken and lamb to pan-fried sole, apple fritters, and poached fruit. "Part Two: Perfecting Skills" takes you through pastry-making and introduces such preparations as pâtés, soufflés, consommés, and more. This is where you'll find such glorious dishes as Daube d'Agneau Avignonnaise (braised lamb cooked as it is in Avignon), Tournedos Baltimore (tenderloin steaks with Chateaubriand sauce), and Pilaf de Volaille à la Turque (Turkish-style pilaf with zucchini and oranges), created by Henri-Paul Pellapat, one of the school's most famous instructors. Ultimately, no one truly "finishes" learning -- the best chefs endlessly hone their skills. For advanced cooks, "Part Three: Finishing Touches" emphasizes the creative aspect of cooking. Le Cordon Bleu is the crème de la crème of cooking schools, and this is an indispensable volume for everyone interested in learning about the ageless art of French cooking. Combining time-honored traditions with the latest, most sophisticated methods and a variety of recipes ranging from standard at-home fare to classic, regional, and modern dishes, this is the ultimate state-of-the-art book on French cuisine.

Mastering the Art of French Cooking - Julia Child 1976

Anyone can cook in the French manner anywhere, wrote Mesdames Beck, Bertholle, and Child, with the right instruction. And here is the book that, for forty years, has been teaching Americans how. Mastering

the Art of French Cooking is for both seasoned cooks and beginners who love good food and long to reproduce at home the savory delights of the classic cuisine, from the historic Gallic masterpieces to the seemingly artless perfection of a dish of spring-green peas. This beautiful book, with more than one hundred instructive illustrations, is revolutionary in its approach because: It leads the cook infallibly from the buying and handling of raw ingredients, through each essential step of a recipe, to the final creation of a delicate confection. It breaks down the classic cuisine into a logical sequence of themes and variations rather than presenting an endless and diffuse catalogue of recipes; the focus is on key recipes that form the backbone of French cookery and lend themselves to an infinite number of elaborations bound to increase anyone's culinary repertoire.

The Sharper Your Knife, the Less You Cry - Kathleen Flinn 2008-09-02

"...engaging, intelligent, and surprisingly suspenseful." —Elizabeth Gilbert, author of Eat, Pray, Love The unforgettable New York Times best-selling journey of self-discovery and finding one's true calling in life Kathleen Flinn was a thirty-six-year-old middle manager trapped on the corporate ladder - until her boss eliminated her job. Instead of sulking, she took the opportunity to check out of the rat race for good - cashing in her savings, moving to Paris, and landing a spot at the venerable Le Cordon Blue cooking school. The Sharper Your Knife, the Less You Cry is the funny and inspiring account of her struggle in a stew of hot-tempered, chefs, competitive classmates, her own "wretchedly inadequate" French - and how she mastered the basics of French cuisine. Filled with rich, sensual details of her time in the kitchen - the ingredients, cooking techniques, wine, and more than two dozen recipes - and the vibrant sights and sounds of the markets, shops, and avenues of Paris, it is also a journey of self-discovery, transformation, and, ultimately, love.

[The Art of Cooking](#) - Maestro Martino of Como 2005-01-03

Maestro Martino of Como has been called the first celebrity chef, and his extraordinary treatise on Renaissance cookery, *The Art of Cooking*, is the first known culinary guide to specify ingredients, cooking times and techniques, utensils, and amounts. This vibrant document is also essential to understanding the forms of conviviality developed in Central Italy during the Renaissance, as well as their sociopolitical implications. In addition to the original text, this first complete English translation of the work includes a historical essay by Luigi Ballerini and fifty modernized recipes by acclaimed Italian chef Stefania Barzini. *The Art of Cooking*, unlike the culinary manuals of the time, is a true gastronomic lexicon, surprisingly like a modern cookbook in identifying the quantity and kinds of ingredients in each dish, the proper procedure for cooking them, and the time required, as well as including many of the secrets of a culinary expert. In his lively introduction, Luigi Ballerini places Maestro Martino in the complicated context of his time and place and guides the reader through the complexities of Italian and papal politics. Stefania Barzini's modernized recipes that follow the text bring the tastes of the original dishes into line with modern tastes. Her knowledgeable explanations of how she has adapted the recipes to the contemporary palate are models of their kind and will inspire readers to recreate these classic dishes in their own kitchens. Jeremy Parzen's translation is the first to gather the entire corpus of Martino's legacy.

My Life in France - Julia Child 2006-04-04

NATIONAL BESTSELLER • Julia's story of her transformative years in France in her own words is "captivating ... her marvelously distinctive voice is present on every page." (San Francisco Chronicle). Although she would later singlehandedly create a new approach to American cuisine with her cookbook *Mastering the Art of French Cooking* and her television show *The French Chef*, Julia Child was not always a master chef. Indeed, when she first arrived in France in 1948 with her husband, Paul, who was to work for the USIS, she spoke no French and knew nothing about the country itself. But as she dove into French culture, buying food at local markets and taking classes at the Cordon Bleu, her life changed forever with her newfound passion for cooking and teaching. Julia's unforgettable story—struggles with the head of the Cordon Bleu, rejections from publishers to whom she sent her now-famous cookbook, a wonderful, nearly fifty-year long marriage that took the Childs across the globe—unfolds with the spirit so key to Julia's success as a chef and a writer, brilliantly capturing one of America's most endearing personalities.
