Body Politics Rethinking Gender and Masculinity - Tanmoy Baghira & Ananya Mukherjee 2021-01-31
The research on men and masculinities traces back to the women's and gay liberation movements that challenged existing understandings of gender and power. This proposes to look into gender as socially constructed than what was earlier thought to be biological. As a logical extension of Feminism, Masculinity Studies looks into sex/gender as a discursive social construct and tries to understand them through theoretical hermeneutics. Instead of considering masculinity to be 'natural character type', 'a behavioural average' or 'a norm', the focus should be given to the process through which the gendered bodies perform. In this regard, sex/gender is not fixed, instead is in a continuous flux; thus, masculinity should be recognised as a gender presentation that is continuously transforming and evolving. This volume, *Body Politics: Rethinking Gender and Masculinity* will engage with the current developments in the field of Masculinity Studies and will try to diversify the issues of gender and masculinity.

Holistic Approaches to Brand Culture and Communication Across Industries - Dasgupta, Sabyasachi 2017-12-15

The world of brands is undergoing a sea of change in the domain of consumer culture and it has become a challenge to cater to the minds of audiences. As such, effective branding has moved from being product- and service-oriented to organizational- and social movement-oriented. *Holistic Approaches to Brand Culture and Communication Across Industries* is a pivotal reference source for the latest research findings on the use of theoretical and applied frameworks of brand awareness and culture. Featuring extensive coverage on relevant areas such as consumer behavior, observational research, and brand equity, this publication is an ideal resource for professionals, researchers, academics, students, managers, and practitioners actively involved in the marketing industry.

Black and White and Blue - Dave Thompson 2010-12-14

The films that society has termed pornographic have been with us for over a century now. Yet beyond a handful of scholarly tracts and a few glancing references in certain Hollywood histories, there is no modern history of the subject available. Featuring exclusive interviews, descriptions of over 300 films and written in a conversational style, *Black and White and Blue* fills that void.

Secrets of Gay Tantra: A Gay-Centered Path to Enlightenment - William Schindler 2012-01-01

In this volume that follows *Gay Tantra* (Xlibris 2000) and *Essays on Gay Tantra* (Xlibris 2000), William Schindler, a.k.a. Brother William, invites the reader into deeper and previously mostly secret aspects of Tantric philosophy and practice. Traditional Tantra teaches methods of spiritual enlightenment-not sexual practices. In traditional Tantra sexuality and other types of sensuality are integrated into a whole-life approach to spirituality. But merely calling a practice or technique "Tantra" does not make it so. Traditional Tantra can only be learned from one who has studied and practiced in a line of enlightened Gurus. Brother William has been studying and practicing traditional Hindu Tantra since 1969 both in India and America, and since 1997, when he founded Ashram West, he has been teaching his adaptation of traditional Tantra for gay-identified persons, making intelligible the esoteric teachings of the ancient tradition.

Uttam Kumar - Sayandeb Chowdhury 2021-09-30

'There is none like Uttam and there will be no one to ever replace him. He was and he is unparalleled in Bengali, even Indian cinema.'-Satyajit Ray, Oscar-winning Indian film-maker Actor and screen icon Uttam Kumar (1926–1980) is a talismanic figure in Bengali public life. Breaking away from established codes of onscreen performance, he came to anchor an entire industry and led the efforts to reimagine popular cinema in mid-20th-century Bengal. But there is pitifully less knowledge about Uttam Kumar in the learned circles-be it about his range of style and performance; the attractions and problems of his cinema; his roles as a producer and patriarch of the industry; or his persona, stardom and legacy. The first definitive cultural and critical biography of this larger-than-life figure engages meaningfully with his life and cinema, revealing the man, hero and actor from various, often competing, vantages. The conceptual aim is to locate a star figure within a larger historical and cultural context, and to enquire into how a towering image was mobilised for an ever-greater, wholesome, popular and even, at times, radical and progressive entertainment. A complimentary métier of this work is to explore why and how this star persona would go on to reconstitute the *bhadrolok* Bengali visual and cultural world in the post-Partition period. But above all, this is the story of a clerk who became an actor, an actor who became a star, a star who became an icon and an icon who became a legend.
